## SAFETY CLOSURE DUE TO WILDLAND FIRE

The Upper Fire is a human-caused wildland fire which started at the top of the Upper Yosemite Falls Trail on Monday, August 10. In order to maintain the safety of park visitors and allow fire management operations to continue unimpeded, the Superintendent of Yosemite National Park is designating the following area as closed. The area will be closed until further notice is given.

By order of the Superintendent of Yosemite National Park and under authority of Title 36, Code of Federal Regulations, Section 1.5(a) and Section (a)(1):

- The Upper Yosemite Falls trail is closed between Columbia Point and the trail junction at the top of the upper switchbacks.
- The Yosemite Creek trail is closed between trail junction at the top of the Upper Yosemite Falls switchbacks and the trail junction to El Capitan.
- The North Dome trail is closed between the trail junction at Lehamite Creek and the trail junction at Yosemite Creek.
- Off-trail areas in the vicinity are closed (i.e. all areas within the shaded circle on the attached map). Climbing routes originating on the Valley floor, such as the Five Open Books and Sunnyside Bench areas, are open.

Notice of closure will be posted and area will be monitored to ensure compliance. Your cooperation in complying with this temporary restriction is greatly appreciated. Please see attached map for more information.

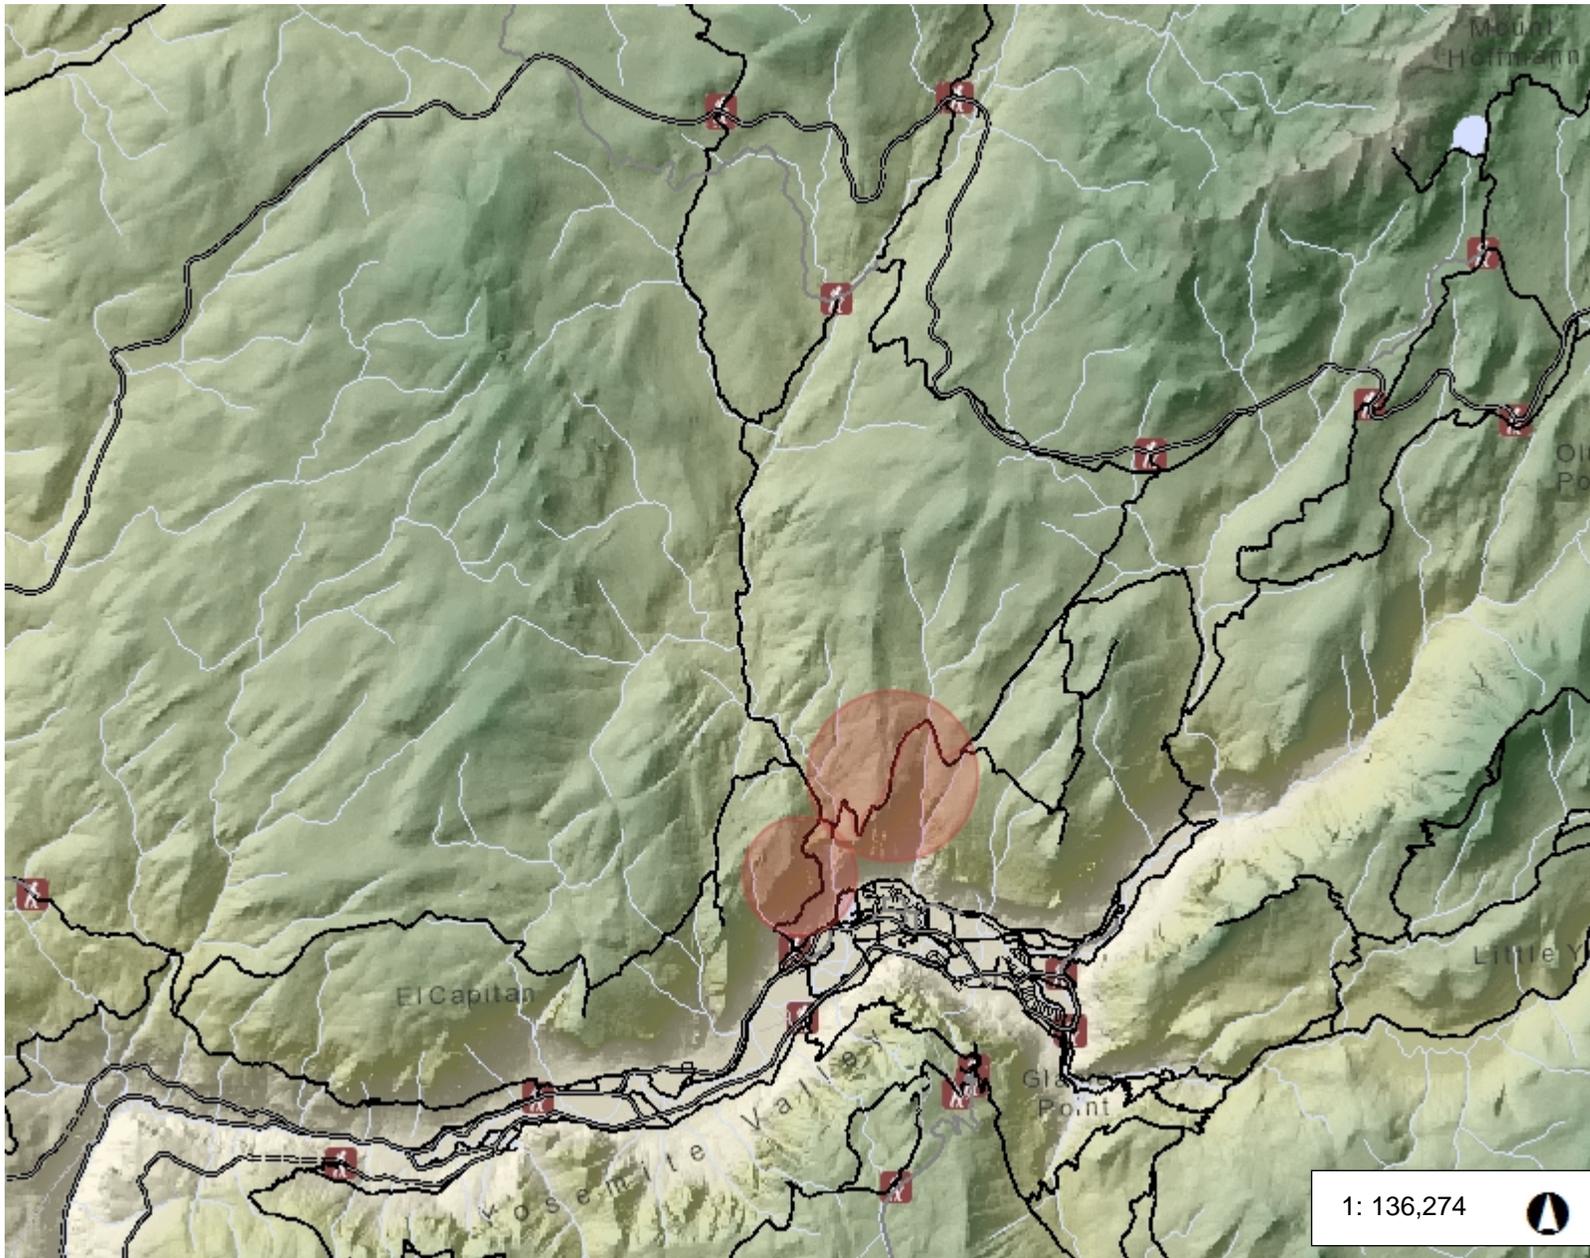

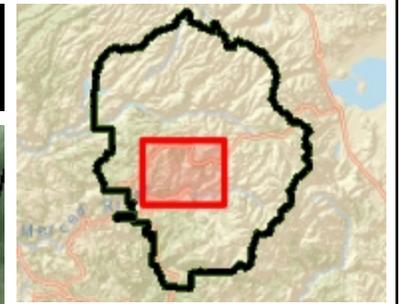

The designation will remain in place until rescinded.
