

**DRAW
WITH A
PARK RANGER**

Let's draw this yellow-bellied marmot!

1

Start out with simple shapes. Try to draw lightly for now. We're going to draw over this at the end!

2

Next, draw two lines to connect the head and the body.

3

Draw curved lines for the marmot's legs.

4

Give your marmot some little paws.

5

Draw a line straight out from the bottom of the marmot's body for its tail.

6

Draw a curved line for the top of the tail.

7

Draw an almond shape for the marmot's snout.

8

Give your marmot an eye, nose, mouth, ear, and some toes!

9

Draw over your light lines. Give your marmot some fur, and color it in if you'd like!
