Where to Go and What to Do in Yosemite National Park

May 26 - June 29, 2010

Yosemite Guide

Things to Do

Keep this Guide with you to get the most out of your visit

What do you want to do with your special time in Yosemite? The choice is yours, but to give you some ideas, park rangers made a list of possibilities for adventure. In no particular order, here are 12 popular activities for a day in Yosemite National Park.

Walk to a Waterfall

Yosemite Valley is famous for its awe-inspiring waterfalls; each as distinct as the granite cliffs they dive over. While Yosemite Falls may be dry by August, Bridalveil, Vernal, and Nevada Falls flow all year. (See page 17 for hiking information.)

Explore a Sequoia Grove

Meet the most massive trees on earth as you explore a giant sequoia grove. Yosemite is home to three groves—the Mariposa Grove, which contains hundreds of sequoias, and the Tuolumne and Merced Groves, which each hold dozens. (See page 2 for a map of the park.)

See Sunset from Glacier Point

Glacier Point provides a superb view of Half Dome, towering more than 3,000 feet above Yosemite Valley. Witness the sunset, as it lights up the cliff face, from Glacier Point or other points in Yosemite Valley. Listen in on a sunset talk with a ranger at Glacier Point. Expect a half-hour delay on the Glacier Point Road Monday through Friday.

Visit the other valley, Hetch Hetchy
“Almost an exact counterpart of the Yosemite. . . a visit to its counterpart may be recommended, if it be only to see how curiously nature has repeated herself.”
 -Josiah D. Whitney.

Hetch Hetchy provides spectacular vistas, waterfalls, and early season hiking. (See page 2 for a park map and area information.)

Drive to Olmsted Point

Take in the spectacular panoramic view from this scenic turnout on the Tioga Road: Tenaya Canyon, granite peaks

You can bring your own bike or rent in the Valley. See the bottom of pages 4 and 15 for bicycle rental information. NPS photo by Erik Skindrud

Bring Your Yosemite Guide With You!

The list on this page offers 12 popular things to do. The table of contents (“What’s Inside...”) at lower right shows where you can turn for more information. Program listings (by area) are on pages 6, 7, 9, and 11.

and domes, and Tenaya Lake with Mt. Conness in the background. (See page 2 for a park map and area information. The Tioga Road usually opens in late May or June.)

Travel Back in Time

Visit Wawona’s Pioneer Yosemite History Center and join “Buckshot” for a horse-drawn stage ride! These 10-minute rides introduce you to an early chapter in Yosemite’s history. Fun for the whole family. (See pages 8 and 9 for history center and other program information.)

Stroll with a Ranger

Learn about the wonders of the park on a ranger-guided stroll. Programs are

offered daily throughout the park on a variety of topics including waterfalls, trees, bears, geology, Yosemite Indians and more. (See area program grids on pages 6, 7, 9, and 11.)

Take a Photography Class

Learn how to best capture the landscape of Yosemite by joining a photography expert from the Ansel Adams Gallery. Several classes are offered each week. Learn more and sign up at the Ansel Adams Gallery located in Yosemite Village at shuttle stops #5 and #9. (See pages 6 and 7 for times and meeting places.)

Discover the Night Sky

Attend the “Starry Skies Over Yosemite

Valley” for a wild ride through the universe to learn about stars, constellations, planets, meteors, and other night sky features, all from the comfort of Yosemite Valley. Sign up at any tour desk. (See page 4 for tour desk locations.)

Go to the Theater

Yosemite Theatre LIVE offers entertainment and inspiration through a variety of live theater performances that bring Yosemite’s history to life. Discover the world of John Muir and other characters from the park’s rich history. (See page 7 for shows and starting times.)

Have Fun with the Family

Learn about Yosemite, meet a park ranger, and have a blast by becoming a Yosemite Junior Ranger or Yosemite Little Cub. Check in with any visitor center to find out how. Stop by the Nature Center at Happy Isles for another great place to explore with the family. (See page 12 for the Jr. Ranger Page.)

Visit the Yosemite Museum

Learn about Yosemite Indians by exploring a museum collection that includes remarkable woven baskets and traditional dress. Tour the outdoor Indian Village or talk with an Indian cultural demonstrator. The Yosemite Museum is located in Yosemite Village at shuttle stops #5 and #9. (See page 5 for museum hours and a list of gallery events and features.)

Emergency: Dial 911

Road, Weather, and Park Information:
www.nps.gov/yose or 209/372-0200

Sudden changes in weather are common in the Sierra Nevada. Call the number above or check at a visitor center for the most recent weather forecast.

Lost and Found

To inquire about items lost or found at one of Yosemite’s restaurants, hotels, lounges, shuttle buses, or tour services, call 209/372-4357. For items lost or found in other areas of the park, call 209/379-1001.

Access for People With Disabilities

The *Yosemite Accessibility Guide* is available at park entrance stations, visitor centers, and online at www.nps.gov/yose/planyourvisit/accessibility.htm. Accessible parking spaces are available just west of the Yosemite Valley Visitor Center. To reach these, enter the Valley on Southside Drive. Turn left on Sentinel Drive. Turn left on Northside Drive, and follow the blue-and-white signs.

A sign language interpreter may be available for deaf and hard-of-hearing visitors. Call 209/372-0296 to request an interpreter. Advance notice of at least 2 days is requested. Assistive Listening Devices are available upon advance request. Inquire at a visitor center.

Yosemite Valley

1 Yosemite Valley, open all year, is world-famous for its impressive waterfalls, cliffs, and unusual rock formations. You can get there via Highway 41/Wawona Road from Fresno, Highway 140/El Portal Road from Merced, Highway 120 west/Big Oak Flat Road from Manteca, and (during summer) via the Tioga Road/Highway 120 east from Lee Vining. Yosemite Valley is home to massive cliff faces like El Capitan and Half Dome, plunging waterfalls including the tallest in North America, and attractive meadows. While Yosemite Falls slows to trickle by August, a moderate hike will bring you to impressive Vernal and Nevada Falls. Walk to Mirror Lake, where you will see reflections of Half Dome. Gaze up at El Capitan, a massive granite monolith that stands 3,593 feet from base to summit. Whether you explore the valley by foot, bike, car, on horseback, raft, or tour, you will behold scenery that will leave you breathless and eager to see what's around the next corner.

Mirror Lake and Mount Watkins. Photo by Christine White Loberg

Glacier Point

2 Glacier Point, an overlook with a commanding view of Yosemite Valley, Half Dome, and the Yosemite's high country, is located 30 miles (a one-hour drive) from Yosemite Valley or Wawona. To get there from either of these places, take the Wawona Road (Highway 41), to Chinquapin, then turn onto Glacier Point Road. Glacier Point Road is usually open from late May through sometime in November. Be prepared for 30-minute construction delays (60 minutes at night) on the Wawona Road Sunday evening through Friday evening. At Glacier Point, a short, paved, and wheelchair-accessible trail takes you to an exhilarating—some might say unnerving—view 3,214 feet down to Yosemite Valley below.

View from Glacier Point at sunset. Photo by Christine White Loberg

Wawona and Mariposa Grove

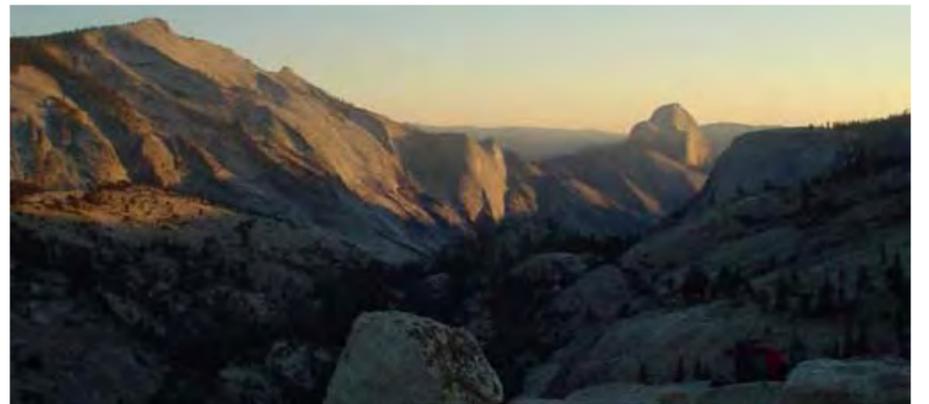

3 The Mariposa Grove of Giant Sequoias is located 36 miles (1 ¼ hours) south of Yosemite Valley via the Wawona Road (Highway 41), two miles from the park's South Entrance. Be prepared for 30-minute construction delays (60 minutes at night) on the Wawona Road Sunday evening through Friday evening. The nearby Pioneer Yosemite History Center in Wawona is a collection of historic buildings associated with people and events that shaped the national park idea in Yosemite. Enjoy a horse-drawn stage ride, watch blacksmiths at work at the blacksmith shop, or hike one of the scenic trails. For more information, visit the Wawona Visitor Center at Hill's Studio, adjacent to the historic Wawona Hotel. This was once a painting studio for the 19th-century artist Thomas Hill. The Mariposa Grove of Giant Sequoias is a short drive or help reduce congestion by taking the free shuttle from the Wawona Store.

The Mariposa Grove Museum. Photo by Pam Meierding

Tioga Road and Tuolumne Grove

4 Tioga Road offers a 39-mile scenic drive past forests, meadows, lakes, and granite domes. It is usually open from late May or early June through sometime in November. The road's elevation ranges from 6,200 to nearly 10,000 feet, so it offers an opportunity to experience many of Yosemite's habitats. The White Wolf area, midway across the park, is the starting point for day hikes to Lukens Lake and Harden Lake. To see giant sequoias, park at the Tuolumne Grove parking area on the Tioga Road, and walk one steep mile down to the grove. Or park at Merced Grove trailhead on Big Oak Flat Road and walk 1.5 steep miles down to the grove. These groves are smaller than the more-famous Mariposa Grove, but are quieter and off-limits to vehicles. Remember: walking down is easier than walking back up.

Clouds Rest and Half Dome as seen from the Tioga Road at Olmsted Point. Photo by Victoria Mates

Tuolumne Meadows

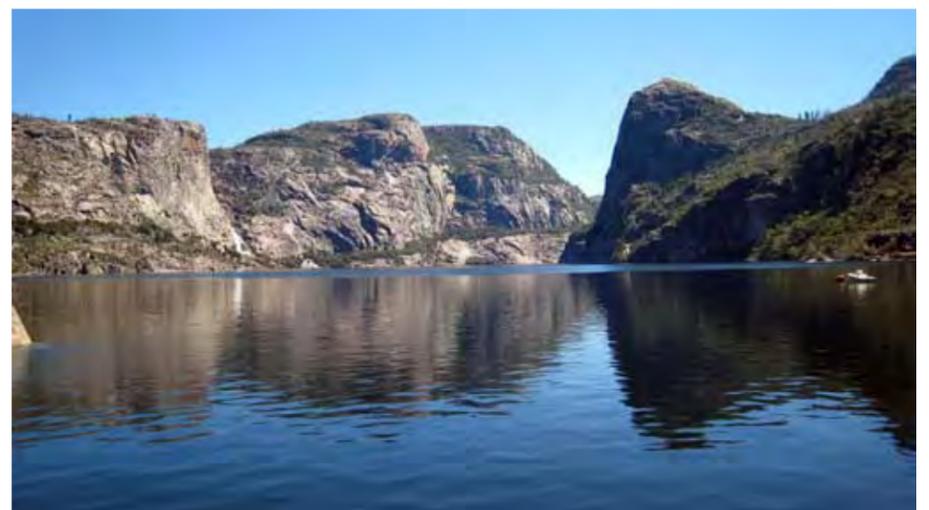

5 Tuolumne Meadows provides a glimpse of the High Sierra. The Wild and Scenic Tuolumne River winds through broad sub-alpine meadows surrounded by even higher granite domes and peaks. It is the jumping off place for countless hikes, whether you venture out for a day or a week. Stop at the Tuolumne Meadows Visitor Center for information about hiking to Cathedral Lakes, Elizabeth Lake, Dog Lake, Lembert Dome, or along the Tuolumne River through Lyell Canyon. Take advantage of the free shuttle service in Tuolumne Meadows or the Tuolumne Meadows Tour and Hikers' Bus from Yosemite Valley.

Bridge over the Tuolumne River at Tuolumne Meadows. Photo by John Sun

Hetch Hetchy

6 Hetch Hetchy Reservoir, a source of drinking water and hydroelectric power for the city of San Francisco, is also home to spectacular scenery and the starting point for many wilderness trails. Due to its importance as a municipal water supply, no fishing or swimming is permitted, however. Hetch Hetchy Reservoir is located 40 miles from Yosemite Valley. The Hetch Hetchy Road is open 7 am to 9 pm May 1 through Labor Day, with reduced hours during the rest of the year. Hetch Hetchy Road is accessible via the Big Oak Flat Road and Evergreen Road and is approximately a 1 ¼-hour drive from Yosemite Valley. Trailers, vehicles over 25 feet long, and RVs and other vehicles over 8 feet wide are not allowed on the narrow, winding Hetch Hetchy Road.

Hetch Hetchy. Photo by Erik Skindrud

Wilderness Travel Basics

Yosemite's Wilderness provides outstanding opportunities for solitude in a beautiful setting. In order to avoid overcrowding and reduce impacts, a trailhead quota system limits the number of backpackers entering a trailhead on a given day. Of each daily quota for a trailhead, 60 percent can be reserved ahead of time, while the remaining 40 percent is available on a first-come, first-served basis one day prior to, or the same day as, the beginning of your hike.

See page 14 for more information about wilderness permits and wilderness permit reservations.

Yosemite Valley

Spectacular vistas and the heart of the park

The Incomparable Yosemite Valley

Yosemite Valley embraces one of the world's most outstanding concentrations of waterfalls, granite walls, meadows, wildflowers, and trees. The Valley also harbors a rich collection of human stories, from American Indian lore to the birth of the national park movement.

Yosemite Valley

An unlimited array of possibilities await you in Yosemite Valley. Most involve sightseeing and learning about the scenery. See pages 5, 6, and 7 for more information on program topics and visitor services available.

Ranger Programs

Rangers give walks and talks every day about Yosemite's natural and cultural history. See pages 6 and 7 for scheduled strolls, talks, and evening programs.

Walking and Hiking

From easy walks to Lower Yosemite Fall, Cook's Meadow, and Mirror Lake to strenuous hikes to the top of Yosemite Falls or Nevada Fall, Yosemite Valley has a wide range of walking and hiking possibilities. See page 17 for a list of hikes.

Bicycling

Several miles of bicycle paths wind through Yosemite Valley. You can use your own bicycle or rent one from Yosemite Lodge or Curry Village. Bikes are only allowed on paved bicycle paths.

Tours

(Tours listed below depart from Yosemite Lodge.)

- The **Valley Floor Tour** is a 26-mile, two-hour open-air tram tour narrated by a park ranger (weather permitting). The tour departs Yosemite Lodge several times daily.
- The **Glacier Point Tour** leaves Yosemite Lodge at 8:30 am, 10 am, and 1:30 pm daily when the Glacier Point Road is open. One-way tickets are available for those who want to hike down from Glacier Point.
- The **Grand Tour** includes the Valley, Glacier Point, and the Mariposa Grove. An experienced guide narrates each tour. The tour departs Yosemite Lodge at 8:45 am daily.

Call 209/372-4386 for reservations or inquire at the tour desks at Yosemite Lodge, Yosemite Village, Curry Village, and The Ahwahnee.

Mule & Horseback Rides

Horse or mule rides begin at the stable near North Pines Campground. Stable hours are 7:30 am to 5 pm daily. Information: 209/372-8348 (reservations strongly recommended).

Sightseeing

Some of the famous landmarks in Yosemite Valley include:

- **Yosemite Falls** gives the Valley an extra touch of life when it's flowing

with spring runoff. You can walk to its base or take the strenuous trail to its top (see page 17).

- **Half Dome**, Yosemite's most distinctive monument, dominates most views in Yosemite Valley. Forces of uplift, erosion from rivers and glaciers, and rockfall all shaped this famous feature into what we see today. Cook's Meadow, Sentinel Bridge, Tunnel View, and Glacier Point, are just a few locations with stunning views of Half Dome.
- **El Capitan**, a massive granite monolith, stands 3,593 feet from base to summit. From spring to fall, climbers come from all over the globe to scale El Capitan.
- **Happy Isles** is a place to see dramatic natural processes at work. It is easily reached by shuttle at stop #16 or by walking from Curry Village. Cross the footbridges onto the isles or wander through outdoor and indoor exhibits detailing Yosemite's geologic story.
- **Tunnel View**, along Wawona Road (Hwy 41) provides a classic view of Yosemite Valley, El Capitan, Half Dome, Sentinel Rock, Cathedral Rocks, and Bridalveil Fall. It is spectacular at sunset or after the clearing of a storm.

Yosemite Valley

Where to Go & What to Do

The Heart of Yosemite National Park

The height of summer offers special opportunities for learning and adventure. Services are open longer and additional lectures, classes, and programs are available.

Yosemite Valley

Valley Visitor Center and Bookstore

Visitor center and bookstore hours are 9 am to 7:30 pm. The visitor center is just west of the main post office (shuttle stops #5 and #9). The facility offers information, maps, and books. Explore the exhibits and learn how Yosemite's landscape formed and how people interact with it.

FILM: SPIRIT OF YOSEMITE

This inspiring visitor-orientation film provides a stunning overview of Yosemite's splendor. It is shown every 30 minutes, Monday through Saturday between 9:30 am and 5:30 pm, and Sunday between noon to 5:30 pm in the Valley Visitor Center Theater.

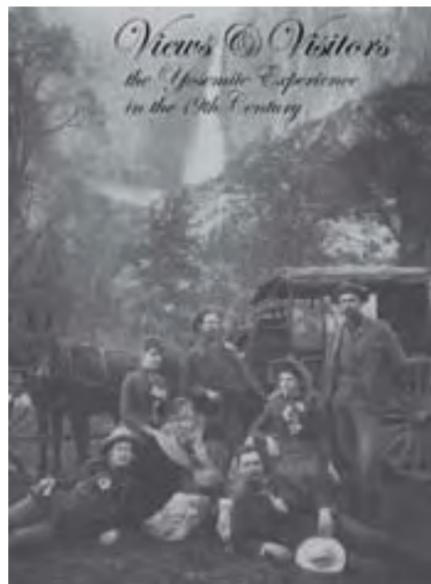

Yosemite Museum

Located in Yosemite Village next to the Valley Visitor Center.

VIEWS & VISITORS: THE YOSEMITE EXPERIENCE IN THE 19TH CENTURY

This exhibit features paintings, prints, artifacts and ephemera from Yosemite's early years. Historic hotel registers and the Grand Register of the Cosmopolitan will also be on view. The exhibit includes an interactive kiosk related to the Grand Register and a digital slide show of historic visitors and hotels. All are welcome to the opening reception on **June 15 from 5-6:30 pm**.

This exhibit will be open daily from June 16 through October 31, from 10 am to 4 pm.

INDIAN CULTURAL EXHIBIT

Open 9 am to 5 pm. Interprets the cultural history of Yosemite's Miwok and Paiute people from 1850 to the present.

YOSEMITE MUSEUM STORE

Open daily from 9 am to 5 pm. The store offers books and traditional American Indian arts, crafts, jewelry, and books.

Ansel Adams Gallery

In Yosemite Village next to the Valley Visitor Center, the gallery is open daily from 9 am to 6 pm. The gallery offers the work of Ansel Adams, other photographers and artists, camera walks, workshops, and classes. Activities are listed on the front porch. Call 209/372-4413, or visit www.anseladams.com.

Wilderness Center

The Valley Wilderness Center is located in Yosemite Village adjacent to the post office. Hours are 8 am to 5 pm. Visit

the wilderness center to learn about wilderness safety, plan trips, obtain wilderness permits and maps, and rent bear canisters.

Yosemite Art & Education Center

The Yosemite Art & Education Center offers a selection of original art and art supplies, as well as a four-hour art workshops Tuesday through Saturday (see pg. 6). Located south of the Village Store, the Center is open 9 am to noon and 1 pm to 4:30 pm daily.

Visitor Parking Information Station

Located in a yurt at the Yosemite Village Visitor Parking (see map on back of this Guide), this information station is open 10 am to 4 pm daily.

Nature Center at Happy Isles

Open 9:30 am to 5 pm daily. Designed for nature-exploring children and their families, the nature center offers natural-history exhibits and a bookstore. The nature center is a short walk from shuttle stop # 16.

Internet Access

Fee-based terminals are available at Degnan's Deli. Wireless access is offered at Yosemite Lodge (for a fee). Free access is available at the Mariposa County library, south of the Yosemite Cemetery at Yosemite Village (hours are limited).

Noon to 11pm Sat.-Sun.

Mountain Room Restaurant

5:30pm to 9:00pm Reservations for 8 or more: 209/372-1281

Curry Village

Guest Lounge

8am to 10pm

Coffee Corner

6am to 10pm

Curry Village Bar

Noon to 10pm

Pavilion Buffet

Breakfast: 7am to 10am

Dinner: 5:30pm to 8pm

Pizza Deck

Noon to 10pm

Taqueria

11am to 5pm

Happy Isles Snack Stand

11am to 7pm

MEDICAL & DENTAL

Yosemite Medical Clinic

Emergency care: 24 hours daily.

Drop-in and urgent care: 8am to 7pm. Appointments: 8am to 5pm, M-F. (Also: Mountain Crisis Services for victims of domestic violence.)

Located on Ahwahnee Drive.

209/372-4637.

Dental Services

Located next to the Medical Clinic

209/372-4200 or 209/372-4637.

SCHEDULED EVENTS IN YOSEMITE VALLEY

May 26 – June 29, 2010

A DNC Interpreter engages young park visitors during a Wee Wild Ones program. Photo courtesy of DNC Parks & Resorts at Yosemite.

Outdoor Adventures and Custom Adventures

For more on Yosemite Association's field seminars, pick up a catalog at any park visitor center, call 209/379-2321, or visit www.yosemite.org. The Yosemite Association also offers individualized Custom Adventures for groups and families. Call ahead at least two weeks to arrange your own naturalist guide who will meet your interests and schedule.

- May 26 Moonbow Photography** – Capture a lunar spectral arc with John Senser.
- June 4-6 Miwok-Paiute Basketry 1** – The Parker women share an ancient tradition.
- June 5-6 The Hidden History of the Chinese in Yosemite** – Yenyen Chan reveals secrets.
- June 12 Birding Yosemite Valley** – Michael Ross, great habitats and a lively bird study.
- June 13 Foresta Birding** – Michael Ross shares a special hotspot for diversity.
- June 18-20 Waterwheel Photography Backpack** – Find an astonishing aquatic display.
- June 20 Buffalo Soldiers on Patrol** – How African-Americans have protected Yosemite.
- June 23-25 North Dome Moonrise Photography Backpack** – A unique time and place.

Habitat Protectors of Yosemite

Wednesdays, 9 am to noon, Yosemite Valley Visitor Center

Join Yosemite Resources Management & Science staff for a stewardship project. Help preserve and protect native habitat in Yosemite Valley and learn about the park's resources management program. Help keep Yosemite's ecosystem healthy and intact for the enjoyment of future generations! Volunteers must wear long-sleeves, long pants, and sturdy shoes or boots. Gloves and tools will be provided. Meet in front of the Valley Visitor Center at 9:00 am.

Yosemite Mountaineering School

YMS offers rock climbing classes, guided climbs, custom backcountry trips, and daily hikes. Experience the park with a professional guide: 209/372-8344.

Art Workshops

The Yosemite Art & Education Center offers art workshops from 10 am to 2 pm Tuesday through Saturday. Register for classes in advance: 209/372-1442 (suggested donation of \$5, supplies extra). Children under 12 must be accompanied by an adult. Be prepared to work outdoors.

- May 23 – May 29** Linda Nadel, Watercolor Basics
- May 30 – June 5** Roger Folk, Waterfalls and Streams of Yosemite
- June 6 – June 12** Robert Dvorak, Painting Yosemite From the Heart: Watercolor
- June 13 – June 19** Tom Fong, Spontaneous Watercolor – Bold and Free
- June 20 – June 26** Don Fay, Watercolor for Landscape
- June 27 – July 3** Chris Van Winkle, Watercolor on Location

LeConte Memorial Lodge

LeConte Memorial Lodge is open Wednesday through Sunday from 10 am to 4 pm, with evening programs Friday, Saturday, and Sunday evenings, and some Thursday evenings. Evening programs are scheduled for 8:00 pm and are free. The Lodge has a library, children's corner, and a new climate change exhibit. The Lodge is located at shuttle stop #12.

RELIGIOUS SERVICES

Wawona & the Mariposa Grove

Wawona Visitor Center at Hill's Studio

Open 8:30 am to 5 pm, the visitor center offers information about park activities, wilderness permits, trail information, books, bear canister rentals, and maps. Located on the grounds of the Wawona Hotel, Hill's Studio was the gallery and art studio of famous 19th-century landscape painter, Thomas Hill. Walk from the hotel or park at the Wawona Store parking area and follow the path up the hill. 209/375-9531.

Coffee with a Ranger

Grab your mug and join a ranger in the Wawona Campground Amphitheater for coffee, tea, and hot cocoa. Use this time to plan your day or get other questions answered. See page 9, at right, for dates and times.

Ranger Evening Programs

Join a ranger around a campfire for an hour of nature, history, and insight into Yosemite. Topics vary nightly. See page 9, at right, for dates, times, and locations.

Evening Programs at the Wawona Hotel

Join pianist/singer Tom Bopp in the Wawona Hotel lobby from 5:30 pm to 9:30 pm, Tuesday through Saturday, as he performs songs and stories from Yosemite's past. Once or twice a week,

he will present an hour-long interpretive program on the vintage songs of Yosemite, or on the history of Wawona, with slide or music accompaniment.

Pioneer Yosemite History Center

Go back to a time of horse-drawn wagons, a covered bridge, and log cabins. A visit to the Pioneer Yosemite History Center explores Yosemite's history and explains how Yosemite was the inspiration for national parks across America and around the world. The history center is always open, and interpretive signs and brochures are available.

Live Demonstrations

See page 9, at right, for dates and times.

EXPERIENCE HORSE-DRAWN TRAVEL

Travel into history by taking a 10-minute horse-drawn stage ride. Tickets may be purchased at the Stage Office in the Pioneer Yosemite History Center. \$4/ adults and \$3/child (ages 3-12).

BLACKSMITH SHOP

Smell the burning coal, hear the ring of the hammer on the anvil, and watch a demonstration of the ancient art of blacksmithing.

OLD-FASHIONED WET-PLATE PHOTOGRAPHY DEMONSTRATION

See the equipment and chat with a photographer about this 150-year-old-method (June 16 -20 only)

Mariposa Grove

Located near Yosemite's South Entrance, the Mariposa Grove is the park's largest stand of giant sequoias, with about 500 large mature sequoias. A few of these giants are visible in the parking area. Information about access for people with disabilities is available at the tram boarding area.

Getting to Mariposa Grove

Allow 1 ¼ hours driving time to reach the grove from the Valley. Cars are prohibited beyond the grove parking lot. The road may close due to limited parking, so use the free shuttle.

Trailers are prohibited on the Mariposa Grove Road. Private vehicles longer than 25 feet are not permitted on this road.

FREE MARIPOSA GROVE & WAWONA SHUTTLE

A shuttle stops at the Wawona Store, South Entrance, and Mariposa Grove. Visitors may park at the Wawona Store to board the bus. Shuttles operate beginning at 9 am, and the last shuttle leaves the grove at 6 pm, or after the last tour.

Please use this free shuttle service to help reduce congestion and parking delays.

Mariposa Grove Ranger Walks

Rangers lead walks among the giant sequoias, explaining their natural history and historical importance. (See page 9 for schedule.)

Big Trees Tram Tour

A 1 ¼-hr. tram tour of the grove is available 9 am to 5 pm. This audio tour is available in five languages and for the visually impaired. Call 209/375-1621 or stop at a tour desk for more information.

Mariposa Grove Museum & Trails

Open 10 am to 4 pm daily. Located in the Upper Mariposa Grove, the museum offers information, displays on giant sequoias, and a small bookstore.

The trail to the Grizzly giant has interpretive signs that provide a self-guiding tour. Translations are available in Spanish, German, French and Japanese.

Dogs or bikes are not allowed on trails and roads in the Mariposa Grove.

Shuttle Service to Yosemite Valley

FREE SHUTTLE SERVICE BETWEEN WAWONA AND YOSEMITE VALLEY

The bus departs daily from the Wawona Hotel at 8:30 am and from the Wawona Store at 8:35 am. The return trip departs from Yosemite Lodge at 3:30 pm.

Mule & Horseback Rides

Mule or horse rides begin at the Wawona Stable (see map at left). Open 7 am to 5 pm daily beginning June 11, conditions permitting. 209/375-6502.

Geology Hut. Photo courtesy Yosemite Research Library

Glacier Point

Evening Programs

Meet a ranger to enjoy the lengthening shadows in Yosemite Valley and the alpenglow (or moonrise) on the Sierra high country. Stargazing programs are offered, as well. Details at right.

Hours listed are core hours for facilities and may be extended during periods of peak visitation. Check local postings for changes to hours of operation.

Programs in **CAPS & COLOR** are for **CHILDREN & THEIR FAMILIES**

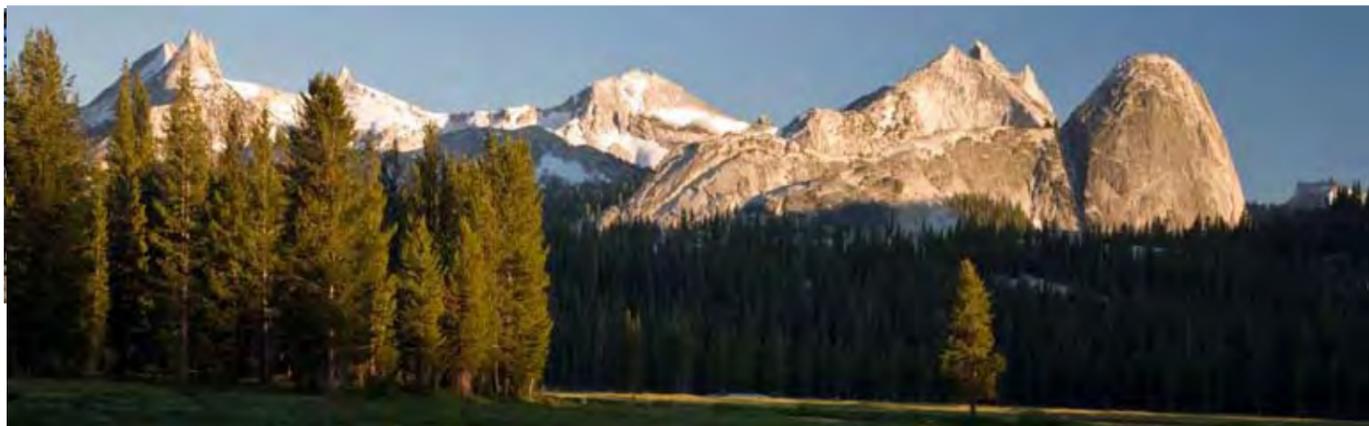

Tuolumne Meadows, White Wolf, and Crane Flat

High Sierra Peaks and Quiet Corners of the Park

These areas offer amazing vistas and opportunities for solitude. Hiking, backpacking, and ranger-led programs are popular activities.

Tuolumne Meadows

Tuolumne Meadows

Tuolumne Meadows Visitor Center

Opening date depends on conditions. Once open for the season, hours are 9 am to 5 pm through June 18; 9 am to 6 pm beginning June 19. Park orientation, trail information, books, maps, and displays available. 209/372-0263.

Parsons Memorial Lodge, McCauley Cabin, and Soda Springs

Two trails, both flat and ¾-mile long, lead to this historic area accessible only by walking. Parsons Memorial Lodge may be open from 10 am to 4 pm beginning in late June. Soda Springs are small, naturally-carbonated springs that attract birds and deer, especially at sunrise and sunset.

Tuolumne Meadows Wilderness Center

Hours are 8 am to 4:30 pm once the Tioga Road opens for the season. The wilderness center is located just south of

Tioga Road, along the road to Tuolumne Meadows Lodge, at shuttle stop #3.

The wilderness center offers maps, wilderness permits, bear canister rental, and guidebooks.

Just for Kids

Programs for children include Junior Rangers, a two-hour, ranger-led program for children (ages 7–12), and Campfire for Kids. Check local postings for program schedule possibly beginning June 19.

Ranger Walks

Join a ranger to explore new areas and learn about geology, birds, flowers, history, the Tuolumne River, and more. These walks range from one to eight hours and, except for the long walks, are fairly easy. On Friday, you can end your day with a Music Walk. This easy stroll will inspire and delight. Check local postings for program schedule possibly beginning June 19.

Evening Activities

Come to a traditional, ranger-led campfire program for stories, songs, and insight into Yosemite. Program topics vary, and are posted at the campground, Tuolumne Meadows Lodge, and Tuolumne Meadows Visitor Center. End your day with a star program (bring a pad to sit on and dress warmly). Check local postings for program schedule possibly beginning June 19.

Mule and Horseback Rides

Horse or mule rides begin at the Tuolumne Meadows stable. Stable hours are 7 am to 5 pm once open for the season (June 11, conditions permitting). Information: 209/372-8427.

Big Oak Flat

Big Oak Flat Information Station

Open 8 am to 5 pm. The information station offers general park information, books, and maps. It also provides wilderness permits, bear canister rentals, and backpacking information.

Merced Grove

Yosemite's quietest stand of sequoias is the Merced Grove, a group of about 20 trees accessible only on foot. It's a three-mile round-trip hike (about three hours) into the grove from Big Oak Flat Road (Highway 120 West). Located 3½ miles north of Crane Flat and 4½ miles south of the Big Oak Flat Entrance, the trail is marked by a sign and post labeled B-10.

Tuolumne Grove

This cluster of about 25 sequoias is near Crane Flat at the intersection of Big Oak Flat and Tioga Roads. The former route of the Big Oak Flat Road leads downhill from Crane Flat into the grove. The path drops 500 feet (150 meters) in one mile. The way down can seem much easier than the return to the parking lot. The trip is moderately strenuous on the uphill portion. Within the Tuolumne Grove there is an easy, half-mile, self-guiding nature trail.

Cathedral Peak and Fairview Dome, near Tuolumne Meadows. Photo by John Sun

*Facilities will open in early to mid June, depending on conditions.

Check local postings for changes to hours of operation.

FOOD & BEVERAGE

Tuolumne Meadows
Tuolumne Meadows Grill
 8am to 5pm*
Tuolumne Meadows Lodge Dining Room
 Breakfast: 7am to 9am*
 Dinner: 5:50pm to 8pm*
 Meals are served family style, and reservations are required.
 Call 209/372-8413

White Wolf
White Wolf Lodge
 Breakfast: 7:30am to 9:30am*
 Take-out Lunch: noon to 2pm*
 Dinner: 6pm to 8pm*
 Reservations recommended.
 Call 209/372-8416.

GROCERIES

Tuolumne Meadows
Store
 8am to 5pm*
 Crane Flat
Store
 9am to 7pm*

GIFTS & APPAREL

Tuolumne Meadows
Mountaineering School and Sport Shop
 9am to 4pm*
Tuolumne Meadows Bookstore
 Inside the Visitor Center
 9am to 5pm*
Tuolumne Meadows Store
 8am to 5pm*
 (tentatively opens noon on June 4)
Tuolumne Meadows Wilderness Center
 8am to 4:30pm daily*

POST OFFICE

Tuolumne Meadows
Post Office
 Monday – Friday: 9am to 5pm*
 Saturday: 9am to 1pm*

GAS STATIONS

Tuolumne Meadows
 Gas and propane available.
 Pay at the pump 24 hours with credit or debit card.

Crane Flat
 9am to 7pm*
 Diesel & propane available.
 Pay at the pump 24 hours with credit or debit card.

FREE SHUTTLE BUS

Olmsted Pt. / Tuolumne / Tioga Pass
 Free shuttle service is available along the Tioga Road from Olmsted Point to Tioga Pass. Service begins June 11, conditions permitting.

Shuttles travel between Tuolumne Meadows Lodge and Olmsted Point with stops along the Tioga Road, including Tuolumne Meadows Campground and the visitor center. The shuttle also makes morning and afternoon runs to Tioga Pass.

Service begins at the Lodge at 7 am. Shuttles arrive at approximately 30-minute intervals between 7 am and 7 pm. The last shuttle leaves Olmsted Point at 6 pm. Schedules are subject to change. Please check route maps at the Tuolumne Meadows Visitor Center or shuttle stops for details.

Become a Junior Ranger

Ages 3 and up can earn a badge by exploring the park

Follow these steps to earn your Junior Ranger badge.

With an adult, pick a trail to walk. See page 17 of this Guide or stop by a visitor center to choose your trail. As you go, walk quietly, watch, listen, and think.

1. Write the name of the trail you walked. _____

2. Explore with your senses! Record the following.

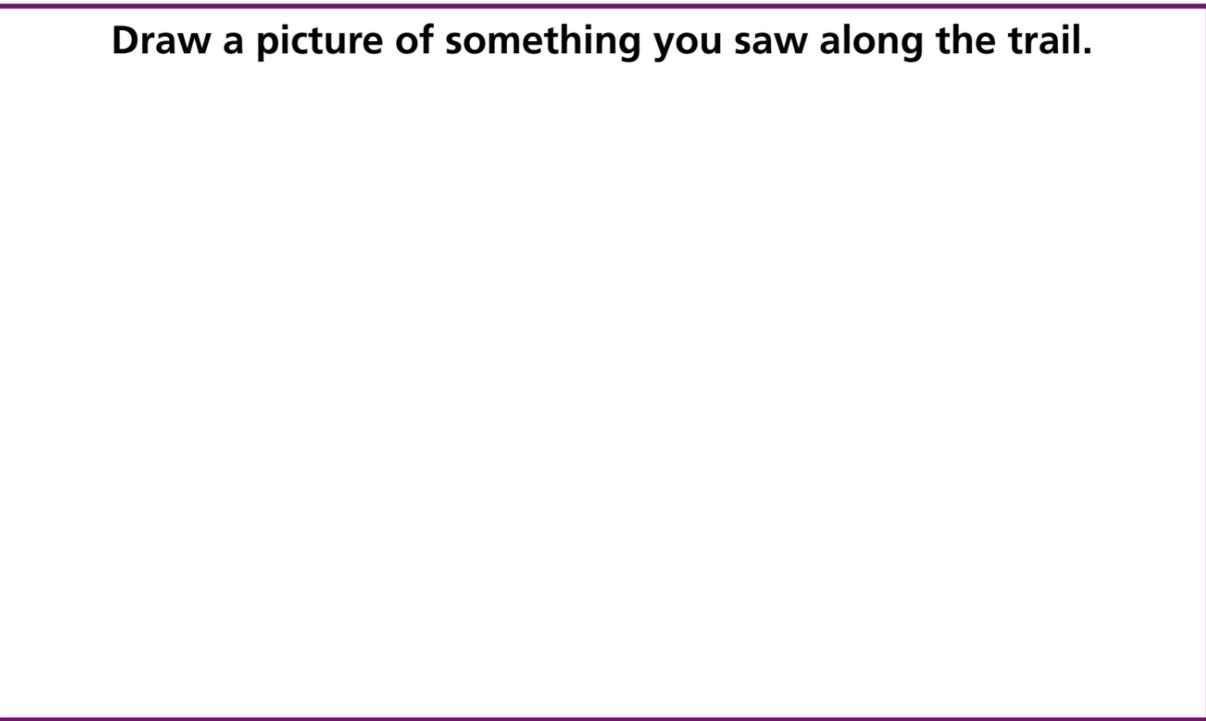

I see: _____

I hear: _____

I smell: _____

I touch: _____

Draw a picture of something you saw along the trail.

3. Learn to "leave no trace." If you see trash or rubbish, please pick it up. Be sure to recycle any recyclable materials you pick up or bring along.

4. Learn more. Go to a ranger-led program or visit with an Indian Cultural Demonstrator. Have the ranger or demonstrator sign below.

Signed by: _____

5. Write down something you learned from a ranger or Indian Cultural Demonstrator.

6. Think about this. Why do people work to protect national parks?

7. When you complete this page, take it to a visitor center. There you will take your oath and receive your Junior Ranger badge.

Be a naturalist. Look for these common Yosemite animals. If you see one, make a note by the animal's picture below. If you don't see the animal below, try to draw it in the box on this page. Where did you see it? What was it doing? Also, remember never to feed or approach an animal.

Keeping Bears Wild (While protecting yourself and your property)

Top Three Ways to Keep Yosemite's Black Bears Wild and Alive:

1. Store Your Food Properly. (See table below for details.)

4,000 to 20,000 calories worth of grasses, berries, acorns, and grubs—that's the typical daily diet of most bears. It's a lot easier for a bear to eat the thousands of calories of food in an ice chest than it is to spend all day nibbling at grasses. Their incredible sense of smell allows them to detect things we can't, which helps them find food—a black bear can smell a dead deer three miles away. To top it off, bears have excellent vision and can see in color, so they recognize ice chests, grocery bags, and other food containers as potential food sources.

2. If you see a bear, scare it away or keep your distance.

You may not see a bear during your visit because they naturally avoid people. However, if you see one in a developed area (like a campground or parking lot), act immediately to scare it away: Make noise and yell as loud as possible. If there is more than one person, stand together to present a more intimidating

figure, but do not surround the bear. If you see a bear anywhere else, consider yourself lucky—but keep your distance (at least 50 yards, or about the distance made by four shuttle buses parked end to end). If you get too close, you will be helping the bear become used to being around people. Bears that become comfortable around humans lose their natural fear of us and may become too aggressive. When that happens, they sometimes have to be killed.

3. Drive the speed limit.

The most common human-related cause of death for a black bear in Yosemite is being hit by a car. Slow down! Driving too fast is almost always the cause of these accidental deaths.

Red Bear, Dead Bear

Did you notice the red bear markers as you drove through the park? Each of them mark a place where a bear was recently hit. Every year bears, hundreds of deer, and countless other animals are killed while trying to cross park roads. Many of these deaths could have been avoided if drivers observed posted speed limits.

Please remember that Yosemite National Park is a wildlife preserve: by driving the speed limit you are helping to protect the park and its wildlife.

Backpackers: Save Your Food, Save A Bear

Bear resistant food canisters are 2.7-pound containers that can be used to store five or more days of backpacker food when meals are carefully planned. Canisters have an inset lid that bears are unable to open. When used correctly, bears learn that—although they smell like food—the canisters are not worth investigating.

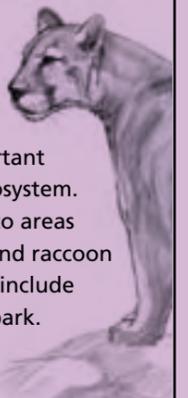

Bear canisters are available for \$5 per trip at the Valley Wilderness Center, the Wawona Visitor Center at Hill's Studio, Big Oak Flat Information Station, Tuolumne Meadows Wilderness Center, and the Hetch Hetchy Entrance Station. Canisters can be rented and returned at any of these locations.

Report Bear Sightings!

To report bear sightings, improper food storage, trash problems, and other bear-related problems, leave a message for the Bear Management Team at 209/372-0322. Your call can be made anonymously.

For more information regarding bears and proper food storage, visit the park's website (www.nps.gov/yose/bears).

Mountain Lions

Mountain lions are a normal and important part of the park ecosystem. They are attracted to areas with healthy deer and raccoon populations, which include many areas of the park. Although lion attacks on humans are extremely rare, they are possible, just as is injury from any wild animal.

For your safety:

Do not leave pets or pet food outside and unattended. Pets can attract mountain lions.

Avoid hiking alone. Watch children closely and never let them run ahead or lag behind on the trail. Teach children what to do if they see a lion.

What should you do if you meet a mountain lion?

Never approach one, especially if it is with kittens. Most lions will avoid confrontation. Always give them a way to escape.

Don't run. Stay calm. Hold your ground, or back away slowly. Face the lion and stand upright. Do all you can to appear larger. Raise your arms. If you have small children with you, pick them up.

If the lion behaves aggressively, wave your arms, shout, and throw objects at it. The goal is to convince it that you may be dangerous. If attacked, fight back!

Mountain Lions are magnificent creatures and native to Yosemite. Generally, they are calm, quiet, and elusive. Sightings are rare, so if you spot one, consider yourself privileged!

How to Store Food

"Food" includes any item with a scent, regardless of packaging. This may include items that you do not consider food, such as canned goods, bottles, drinks, soap, cosmetics, toiletries, trash, ice chests (even when empty), and unwashed items used for preparing or eating meals.

LOCATION	FOOD STORAGE	WHY?
Your Vehicle	You may store food inside your car (with windows closed) only during daylight hours. Do not store food in your car after dark: use a food locker. Remember to clear your car of food wrappers, baby wipes, and crumbs in baby seats.	Bears can smell food, even if it's sealed in the trunk or glove compartment, and they recognize boxes and bags as potential food sources. They can easily and quickly break into all kinds of vehicles!
Your Campsite or Tent Cabin	You must store all your food in food lockers—not in your tent or tent cabin. A food locker is available at each campsite and tent cabin. Food may be stored out of sight in hard-sided RVs with windows closed.	Bears may enter campsites when people are present, and some will even check food lockers to see if they're secured. Keep food lockers closed and latched at all times, even when you are in your campsite or tent cabin.
Picnic Areas & on the Trails	Do not leave food unattended. Always keep food within arm's reach. Don't turn your back to your food.	Bears may investigate picnic areas or backpacks for food even when people are present, so be alert.
Backpacking in the Wilderness	Bear resistant food containers are required throughout the Yosemite Wilderness. Hanging food is prohibited in Yosemite.	In Yosemite and the southern Sierra, bear canisters are the only effective and proven method of preventing bears from getting human food.

Note: Improper food storage may result in impoundment of your food or vehicle, a fine of up to \$5,000, and/or revocation of camping permit. Following these regulations and precautions decreases the chance of personal injury or property damage. However, bear damage and confrontations are still possible, even when all the regulations and guidelines are followed.

Protect Yourself and Yosemite

Keep safety in mind as you explore the park

Permit Required to Hike Half Dome

To address safety concerns related to increased crowding on the Half Dome cables, the National Park Service has instituted an interim permit system in 2010 and 2011. The system limits the number of people using the cables to about 400 people per day and is in effect on Fridays, Saturdays, Sundays, and federal holidays when the cables are up (until October 11 in 2010). A permit is not required to day-hike to Half Dome on other days.

Backpackers with an appropriate wilderness permit can receive a Half Dome permit when they pick up their wilderness permit. **Rock climbers** who reach the top of Half Dome without entering the subdome area can descend on the Half Dome Trail without a permit.

No more permits are available for May or June 2010. Permits are also not available in the park or on a first-come, first-served basis.

You can find more information at www.nps.gov/yose/planyourvisit/hdpermits.htm.

Keep yourself safe while exploring your park.

There are many ways to experience the wildness of Yosemite. While the forces of nature can create unexpected hazardous conditions, with a little common sense and some pre-planning, you can minimize the risks associated with many activities.

Traffic Safety

Roads leading to the park are two-lane, narrow, and winding. When traveling on park roads you can protect yourself, other visitors, and park wildlife by observing the following simple rules: Please obey posted speed limits. Yosemite's roads are used by both visitors and park wildlife. Use turnouts to pull completely out of traffic lanes, to take photos, consult the park map, or simply enjoy the park's scenery and wildlife.

Bring Water

Avoid dehydration and heat exhaustion by carrying and drinking plenty of water. Filters or other treatment methods are essential. (See "Water Quality" at right.)

Hiking, Backpacking, Rock Climbing, and Scrambling

- Be honest about your abilities and plan with the least experienced member of your group in mind. Tell someone where you are going and when you are due back. Carry a signal mirror and whistle. Solo activities require increased precautions.
- Stay on designated trails and routes. Carry and know how to use a map and compass.

- Avoid scrambling in steep terrain or off-trail. If new to climbing, take a class to learn critical safety and protection techniques. Never climb alone.
- Check weather forecasts. Storms can occur with little warning. Snow is possible year-round at higher elevations, and can make route finding difficult. Temperature shifts are common.
- Avoid dehydration or heat exhaustion; carry and drink plenty of water, and bring high-energy food.
- Be prepared to set up emergency shelter even when out just for the day.
- Don't depend on cell phone or GPS reception for your safety.

Protect Yosemite's Wilderness

- Free wilderness permits are required for all wilderness trips.
- Pack out all trash and toilet paper/sanitary products.
- Pack out all trash and toilet paper/sanitary products.
- Use gas stoves, not wood fires.
- Camp in an existing campsite at least 100 feet from water and trail. You must camp four trail miles from any populated area and one mile

from any road.

- To minimize trampling of vegetation, bring a container to carry water to your camp from lakes or streams.
- Maximum group is 15 people for on-trail and eight for off-trail travel.

Wilderness Permits

Free permits are required for overnight trips. Permits are issued at Yosemite Valley, Big Oak Flat, Wawona, Tuolumne Meadows, and the Hetch Hetchy Entrance Station (opening times vary). You can reserve permits, but they must be picked up in person. Check the park's website for trailhead availability and call 209/372-0740 to reserve a permit.

Water Safety

Protecting park resources, bicycling, and pets in the park

The Water Ways

Not long ago, many areas along the Merced River showed signs of human trampling. Now, because of the careful actions of park staff and visitors, many of these areas have been restored to more natural conditions. The plants, birds, insects, and animals that depend on living in or near the water have been able to return to these once barren areas. You can help continue this progress by entering and exiting the river at designated launch and removal points. Packing out what you pack in will also help keep the river free from trash and prevent animals from swallowing harmful plastic or aluminum.

Please observe the following safety tips to protect Yosemite's river and lakeshore habitats and to safely enjoy water activities throughout the park.

Swimming

Choose swimming areas carefully and swim only during low water conditions.

- Always supervise children closely.
- Avoid areas of whitewater, where streams flow over rocky obstructions.
- Never swim or wade upstream from a waterfall, even if the water appears shallow and calm. Each year, unsuspecting visitors are swept over waterfalls to their deaths when swimming in these areas.
- Swimming is not permitted in the Hetch Hetchy reservoir or in Emerald Pool above Vernal Fall.

River Crossings

In summer, rivers and creeks swollen by runoff from snowmelt are dangerous.

- Stay away from river and creek banks during high water conditions and avoid rock hopping. Stream-polished rocks along the water's edge are slippery when wet or dry.
- If you choose to cross a stream without a bridge, avoid places where the water is either swift or over your knees. Use a stick or pole for balance and try to cross where there is a gravel bottom. Crossing on a natural bridge

of rocks or logs can be surprisingly slippery. Consider where you will land if you fall. Never cross above rapids or falls. To prevent being pulled under by the weight or your pack, unbuckle the waist strap so you can shed it if you fall in. Do not tie yourself into safety ropes—they can drown you.

Rafting

Conditions permitting, rafting on the Merced River in Yosemite Valley (Stoneman Bridge to Sentinel Beach) and the South Fork of the Merced River in Wawona is open from 10 am to 6 pm daily to any type of non-motorized vessel or other flotation device.

Raft Rentals

Raft rentals will be available from 10 am to 4 pm at Curry Village Recreation Center **when conditions allow**.

- The entire length of the Merced River in Yosemite Valley is closed to all flotation devices whenever the river gauge at Sentinel Bridge reads 6.5 feet or higher. Ask at a visitor center for conditions and obey all posted signs.
- You must wear or have a U.S. Coast Guard-approved personal flotation device immediately available.
- Fallen trees and other natural debris in the river create important habitat for fish and other wildlife. Be alert—they can also create hazards for rafters.

Fishing

Fishing in Yosemite is regulated by state law. A valid California sport-fishing license is required for those persons age 16 years and older. When fishing, the license must be plainly visible by attaching it to an outer layer of clothing above the waistline.

- Trout season runs through November 15 (except Frog Creek near Lake Eleanor, which opens June 15).
- Special fishing regulations apply on the Merced River in Yosemite Valley from Happy Isles downstream to the Foresta Bridge in El Portal. Within these reaches of the river, it is catch-and-release only for rainbow trout. Brown trout limits are five fish per day. Only artificial lures or flies with barbless hooks may be used.
- The use of live or dead minnows, bait fish or amphibians, non-preserved fish eggs or roe is prohibited.

Water Quality

To protect yourself from disease, treat any surface water before drinking.

- Treatment methods include boiling for three minutes, use of a Giardia-rated water filter, or iodine-based purifier.
- To prevent the spread of Giardia and other water-borne disease organisms, use restroom facilities where available, and wash hands with soap and water.

Pets

kennel (open 8 am to 4 pm daily) is located at the Yosemite Valley Stable, should you need a place to board your dog (call 209/372-8348).

Keep in mind, in Yosemite, pet owners have a few rules to follow:

- Pets are only allowed in developed areas and on roads and paved bike paths. Pets are not allowed anywhere in the Mariposa, Tuolumne, or Merced sequoia groves. They are not allowed on trails, in wilderness areas, or where signs are posted prohibiting them.
- Pets must be on a leash (6 feet or less) or otherwise physically restrained.
- For the courtesy of others, human companions are responsible for cleaning up and depositing pet feces in trash receptacles.
- Pets are not allowed in any lodging facilities or other buildings within the park and are not allowed in some campgrounds.
- Pets may not be tied to an object and left unattended.

Bicycling

Bike rentals at Curry Village and Yosemite Lodge are open 9 am to 6 pm (8:30 am to 8 pm beginning June 18).

Each season, plants are crushed from bicycle travel in meadows, campgrounds, and picnic areas. Please respect park resources and keep bicycles on paved roads and paved bicycle trails.

Bikes are not allowed to travel off paved trails. Mountain biking opportunities are available in designated areas outside of Yosemite.

Help Guard Park Resources...

Visitors to Yosemite National Park are the park's most important guardians. With nearly 4 million people watching over its special plants, animals, historic, and archeological sites, imagine how well-protected these park resources could be!

During your visit to Yosemite be aware that there are people who either unknowingly or intentionally harm park resources. Please contact a park official if you see any of the following illegal acts:

- Feeding or approaching wildlife
- Collecting plants
- Hunting animals
- Collecting reptiles and butterflies
- Picking up archeological items, such as arrowheads
- Using metal detectors
- Driving vehicles into meadows
- Camping outside of designated campgrounds
- Possession of weapons inside federal facilities

If you see activities that could harm people or park resources, jot down any descriptions or a vehicle license plate number and call the park dispatch office at 209/379-1992.

FOR MORE INFORMATION

To find out more about Yosemite National Park regulations visit www.nps.gov/yose/planyourvisit/yoursafety.htm and find a copy of the *Superintendent's Compendium*. This document is a compilation of designations, closures, permit requirements, and other restrictions made by the superintendent, in addition to what is contained in Title 36 of the *Code of Federal Regulations* (Chapter 1, Parts 1 through 7 and 34), and other applicable federal statutes and regulations.

Camping

Planning your camping experience

Camping in Yosemite. Photo by Ray Santos

General Info...

To check same-day camping availability, call 209/372-0266

Services

- All sites include picnic tables, firepits with grills, and a food locker (33" d x 45" w x 18" h). See page 5 for food storage regulations.
- Toilets are available in campgrounds; however, Tamarack Flat, Yosemite Creek, and Porcupine Flat have non-flushing vault toilets only and no potable water.
- Shower and laundry facilities are available year-round in Yosemite Valley.
- RVs over 24 feet are not recommended for Tamarack Flat, Yosemite Creek, and Porcupine Flat campgrounds, and RVs are not permitted in walk-in and group campsites. There are no hookups in Yosemite campgrounds, but there are sanitary dump stations in Yosemite Valley (all year), and summer only in Wawona and Tuolumne Meadows.

Regulations

- Proper food storage is required 24 hours a day.
- A maximum of six people (including children) and two vehicles are allowed per campsite.
- Quiet hours are from 10 pm to 6 am.
- Where permitted, pets must be on a leash and may not be left unattended.

Campfires

- In Yosemite Valley between May 1 and September 30, campfires are permitted between 5 pm and 10 pm. At other times of the year and in out-of-Valley campgrounds, fires are permitted at any time, as long as they are attended.
- Firewood collection (including pine cones and pine needles) is not permitted in Yosemite Valley; you may purchase firewood at stores near the campgrounds.

A primitive overnight experience

Yosemite National Park contains 13 popular campgrounds. Up to seven are on a reservation system, the rest are first-come, first-served. From April through September, reservations are essential and the first-come, first-served sites often fill by noon during these months.

Camping Reservations

Reservations are required March through October for campsites in Yosemite Valley's car campgrounds and summer through fall for Hodgdon Meadow, Crane Flat, Wawona, and half of Tuolumne Meadows. All other campgrounds (except group and stock campgrounds) are first-come, first-served. Campground reservations are available up to five months in advance, on the 15th of each month at 7 am Pacific time. Log onto the website or call as soon as possible as some campgrounds fill within a few minutes

ARRIVAL DATE	FIRST DAY TO MAKE RESERVATIONS (7 AM PT)
Dec. 15 – Jan. 14	Aug. 15
Jan. 15 – Feb. 14	Sept. 15
Feb. 15 – Mar. 14	Oct. 15
Mar. 15 – Apr. 14	Nov. 15
Apr. 15 – May 14	Dec. 15
May 15 – Jun. 14	Jan. 15
Jun. 15 – Jul. 14	Feb. 15
Jul. 15 – Aug. 14	Mar. 15
Aug. 15 – Sep. 14	Apr. 15
Sep. 15 – Oct. 14	May 15
Oct. 15 – Nov. 14	Jun. 15
Nov. 15 – Dec. 14	Jul. 15

of the opening period.

For campground reservations, visit www.recreation.gov (recommended) or call 877/444-6777 or TDD 877/833-6777 or 518/885-3639 from outside the US and Canada.

Hours:

- 7 am to 7 pm Pacific time (November through February)
- 7 am to 9 pm Pacific time (March through October)

Reservation offices in the park are located in the visitor parking area at Curry Village (shuttle bus stop #14), the Tuolumne Meadows Campground entrance, in Wawona off Chilnualna Falls Road, and at Big Oak Flat Information Station.

Yosemite Valley

There is a 30-day camping limit within Yosemite National Park in a calendar year; however, May 1 to September 15, the camping limit is 14 days and only seven of those days can be in Yosemite Valley or Wawona.

Camp 4 is a walk-in campground and is open all year on a first-come, first-served basis; these campsites are

not wheelchair accessible. Sites are available on a per-person basis, and six people will be placed in each campsite, regardless of number of people in your party. Camp 4 often fills before 9 am each day, May through September.

Camping in Areas Surrounding Yosemite

The U.S. Forest Service (USFS) operates a variety of campgrounds on a seasonal basis near Yosemite. For additional information, contact Groveland Ranger Station at 209/962-7825; Mariposa Ranger Station at 209/966-3638; Mono Lake Ranger Station at 760/647-3044; or Oakhurst Ranger Station at 559/683-4636. For private campgrounds outside Yosemite, call the respective chamber of commerce or visitor bureau listed on page 10.

Group Campgrounds

There are group campsites at Tuolumne Meadows, Hodgdon Meadow, Wawona, and Bridalveil Creek Campgrounds. Reservations can be made the same way as individual site reservations; 13 to 30 people are allowed in each group campsite. Tent camping only. Pets, RVs, and generators are not permitted in group sites.

Hiking

Discover an easy stroll or a challenging hike

Choose your adventure

With over 800 miles of hiking trails, what better way to enjoy the beauty of Yosemite than on foot? Ask a ranger at any visitor center for one of several free, day-hike handouts. Excellent maps and guidebooks are available at bookstores throughout the park.

Yosemite Valley Day Hikes

TRAIL / DESTINATION	STARTING POINT	DISTANCE / TIME	DIFFICULTY / ELEVATION
Bridalveil Fall	Bridalveil Fall Parking Area	0.5 mile round-trip, 20 minutes	Easy
Lower Yosemite Fall	Lower Yosemite Fall Shuttle Stop #6	1.0 mile round-trip, 20 minutes	Easy
Upper Yosemite Fall Trail to Columbia Rock	Camp 4 Near Shuttle Stop #7	2 miles round-trip, 2–3 hours	Strenuous 1,000-foot gain
Top of Upper Yosemite Fall	Same as above	7.2 miles round-trip, 6–8 hours	Very Strenuous 2,700-foot gain
Mirror Lake (a seasonal lake)	Mirror Lake Shuttle Stop #17	2 miles round-trip, 1 hour	Easy
Vernal Fall Footbridge	Happy Isles Shuttle Stop #16	1.4 miles round-trip, 1–2 hours	Moderate, 400-foot gain
Top of Vernal Fall	Happy Isles Shuttle Stop #16	3 miles round-trip, 2–4 hours	Strenuous 1,000-foot gain
Top of Nevada Fall	same as above	5 miles round-trip, 5–6 hours	Strenuous 1,900-foot gain
Top of Half Dome Permit required to hike to the top of Half Dome Fridays-Sundays and holidays!	same as above	14 mi (via Mist Trail) or 16.3 mi (via John Muir Trail) round-trip, 10–12 hours	Extremely Strenuous, 4,800-foot gain
Four Mile Trail to Glacier Point	Southside Drive	4.8 miles one-way, 3–4 hours one-way	Very Strenuous, 3,200-foot gain
Valley Floor Loop	Lower Yosemite Fall Shuttle Stop #6	13 miles full loop, 5–7 hours full loop	Moderate

Day Hikes Outside of Yosemite Valley

TRAIL / DESTINATION	STARTING POINT	DISTANCE / TIME	DIFFICULTY / ELEVATION
WAWONA			
Wawona Meadow Loop	Wawona Hotel	3.5 miles round-trip, 1.5 hours	Easy
Chilnualna Falls Trail	Parking 2 mi. up Chilnualna Falls Rd.	8.2 miles round-trip, 5 hours	Strenuous 2,400-foot gain
GLACIER POINT ROAD			
Taft Point	Sentinel Dome Parking Area	2.2 miles round-trip, 2 hours	Easy to Moderate
Sentinel Dome	Sentinel Dome Parking Area	2.2 miles round-trip, 2 hours	Moderate
TUOLUMNE MEADOWS AREA			
Soda Springs / Parsons Lodge	Lembert Dome Parking Area	1.5 miles round-trip, 1 hour	Easy
Lembert Dome	Lembert Dome Parking Area	4 miles round-trip, 3 to 4 hours	Moderately Strenuous
John Muir Trail through Lyell Canyon	Dog Lake Parking Area	8 miles one-way, 3 to 4 hours	Easy, 200-foot gain
Elizabeth Lake	Tuolumne Meadows Group Campground	4.8 miles round trip, 4 to 5 hours	Moderate
TIOGA ROAD			
Lukens Lake	White Wolf ¹	5.4 miles round-trip, 3 to 4 hours	Moderate
Yosemite Valley via Porcupine Creek	Porcupine Creek ¹	7 miles one-way, 4 to 6 hours	Moderate, 3,500- to 4,000-foot loss
Yosemite Valley via Yosemite Creek	Lukens Lake Trailhead ¹	10.5 miles one-way, 5 to 9 hours	Moderately Strenuous 3,500- to 4,000-foot loss
Yosemite Valley via Clouds Rest	Tenaya Lake ¹	19 miles one-way, 10 to 12 hours	Strenuous
HETCH HETCHY			
Wapama Falls	O'Shaughnessy Dam	5 miles round-trip, 3 to 4 hours	Easy to Moderate

¹These are drop-off points via the Tuolumne Meadows Hikers' Bus. Additionally, the Tuolumne Meadows free shuttle serves all Tuolumne Meadows hikes listed above.

Self-Guiding Trails

A Changing Yosemite

This one-mile-long walk through Cook's Meadow explores both natural and cultural stories of Yosemite. Brochure available at the Yosemite Valley Visitor Center.

Giant Sequoias

Two self-guiding trails in the Mariposa Grove, and one in the Tuolumne Grove, interpret the natural history and ecological dynamics of the giant sequoia community.

Mirror Lake

Mirror Lake interpretive trail is a short loop adjacent to Mirror Lake, a seasonal lake on Tenaya Creek. Exhibits focus on the rich natural history of the area, American Indian use, and history of this popular destination. To reach the start of the trail, walk one mile from shuttle stop #17 to the disabled parking spaces near the lake. The self-guiding trail begins here.

Indian Village

This short loop winds through the Indian Village of Ahwahnee, a reconstructed Miwok-Paiute village. A booklet is available at the trailhead and in the Visitor Center. The trail begins behind the Yosemite Museum.

Curry Village

The Legacy of Curry Village is an easy stroll commemorating the early days of Camp Curry. Pick up a map and guide at the Curry Village front desk or tour desk.

Finding the Pacific Fisher

Feature article

By Park Ranger Shauna Potocky

Yosemite National Park has amazing ecosystems that support a diversity of plants and animals as dramatic as its scenery. Even more exciting, some of these habitats are home to rare and threatened species. Through newly developed partnerships with researchers, park managers, staff, students and volunteers, work is being done to understand the needs of some of the park's more remarkable species, including the rarely seen Pacific fisher (*Martes pennanti*).

Forest Predator

Considered one of the most elusive mammals of the mixed-conifer forest, the Pacific fisher lives in Yosemite and in suitable habitat south of the park. The fisher is a medium-sized carnivore that preys on squirrels, small mammals, birds and occasionally dines on fungi. Related to the mink and otter, fishers have thick, soft, brown fur that is commonly lighter along the head and chest and darker along the muzzle, legs, and tail.

Generally associated with old-growth forest, the fisher was once abundant throughout regions of Canada and the United States, including the Sierra

Pacific fisher. Photo by Eleanor Kee Wellman

from the University of California, Berkeley to help verify the abundance and distribution of fishers within the park. The project, which uses motion activated cameras, began in late fall of 2009, and will span two years.

A Rare Sight

“The fisher is a rare and increasingly uncommon species in the Sierra Nevada,” says Rick Sweitzer, a Research Ecologist with UC Berkeley, “the distribution of fishers in California has

This fisher population is isolated with no new individuals moving into the area, which leaves the remaining individuals to sustain or expand the population. Unfortunately, human and environmental pressures affect the fisher and in a critically small and isolated population, the loss of any individual is significant. Within Yosemite, fisher mortality is primarily due to vehicle collisions, while outside the park challenges include loss of habitat and exposure to disease.

“Anytime you lose any species from the ecosystem it is a tragedy. Whether or not we can see measurable ecological effects, we want to have a full array of species to study—it is hard to express a species’ aesthetic value.” –Steve Thompson, wildlife biologist

Nevada. During the 1800s through the early 1900s, extensive logging and fur trapping caused the fisher population to decline dramatically. As a result, the fisher has disappeared from many areas of its historic range. Today, a small geographically isolated population, estimated at between 260 and 320 individuals, remains in the southern Sierra Nevada, including areas of Yosemite National Park.

Innovative Collaboration

Researchers in Sierra National Forest are working diligently to determine the abundance and distribution of fishers in forest ecosystems located just south of Yosemite. Today, with support from The Yosemite Fund, Yosemite National Park wildlife biologists and field staff are working in partnership with scientists

“Identifying the limiting factors for population growth and distribution; especially understanding factors necessary for reoccupation of the species’ into its former range,” is one of Steve Thompson’s, greatest hopes for this research. Thompson, Chief of Wildlife Management for Yosemite National Park states, “If we understand fisher habitat needs, we can manage the forest ecosystem in ways that could restore forest attributes to help the fisher in the re-colonization of their former range.” This is important because the northern boundary of the Sierra population is within Yosemite National Park—exactly where remains to be determined. Thus, any northern expansion of the population would begin in the park.

declined by over 50% since the early 1900s. Fishers in the Sierra Nevada may still be declining and we need to better understand how forest management is affecting the population in order to evaluate the prospect for growth and expansion, or eventual extinction.”

When considering the potential extinction of the Pacific fisher, Sweitzer states, “It would certainly be a heritage loss and as a key forest predator, loss of fishers would affect prey species and other predators.” Steve Thompson adds, “Anytime you lose any species from the ecosystem it is a tragedy. Whether or not we can see measurable ecological effects, we want to have a full array of species to study—it is hard to express a species’ aesthetic value.”

Chance For Survival

Yosemite National Park and collaborating partners are uniquely positioned to help answer important questions about the Pacific fisher. These studies will help inform forest managers about the habitat requirements of the fisher and answer questions regarding any potential expansion back into its former range. Through this innovative work, the fisher may have a better chance at survival.

Together, we can all make a difference for the fisher while visiting the park. Driving posted speed limits and being vigilant for wildlife crossing roads are great ways to protect the wildlife we are fortunate to have here in Yosemite.

Supporting Your Park

Providing for Yosemite's future

Enhancing the Visitor Experience

It takes a legion of people working together to protect this special park for you and future generations of visitors. You, too, can extend your connection to Yosemite well after you return home by getting involved with the organizations that partner to preserve Yosemite.

This publication was made possible by the Yosemite Park Partners listed on this page. Read below to learn more about helping these organizations provide for the future of Yosemite National Park.

The Ansel Adams Gallery

The Ansel Adams Gallery, owned by the family of photographer Ansel Adams since 1902, is a center that celebrates the arts and the natural grandeur of our environment. It cultivates an aesthetic appreciation and concern for our world by offering visitors a unique variety of literature and art, as well as programs that inspire creativity. Visit online at www.anseladamsgallery.com.

DNC Parks & Resorts at Yosemite

DNC Parks & Resorts at Yosemite (DNC) operates hotels, restaurants, sightseeing tours, recreational activities, interpretive programs, stores, shuttles and service stations in the park under contract with the U.S. Department of the Interior. DNC encourages its employees to develop a strong relationship with the park during their tenure. For more information and employment opportunities with DNC at Yosemite, visit online at www.YosemitePark.com.

Yosemite Institute

Since 1971, thousands of school-age children have benefited from learning in "nature's classroom" through the residential field-science programs offered by Yosemite Institute (YI). A YI experience strives to foster a life-long connection to the natural world—whether it is in Yosemite, on a city street or in our own backyards. YI also offers professional development for teachers, summer youth programs, backpacking adventures, community outreach programs and service learning projects. For more information, visit www.naturebridge.org/yi.

The Yosemite Fund and Yosemite Association have Merged!

We're thrilled to announce a new era in support for Yosemite National Park! In December 2009, The Yosemite Fund and Yosemite Association agreed to form a unified nonprofit organization. By combining the proud histories of the two organizations, more programs and projects can be accomplished to protect Yosemite and inspire enduring connections for current and future generations. While a transition to a consolidated organization occurs, the Fund and Association will outwardly operate as they do now. More information about the merger is located on each organization's website. (yosemitefund.org and yosemite.org)

Yosemite Association

The Yosemite Association is a nonprofit membership organization that provides opportunities for people to learn about, enjoy, and experience Yosemite National Park and the Sierra Nevada. The Association celebrates the majesty and grandeur of this region through its visitor services, publications, outdoor classroom, and membership activities, which give people of all ages the chance to forge an enduring and inspirational connection to Yosemite. This, in turn, builds a commitment to the long-term preservation and vitality of Yosemite and our National Parks. Since 1923, the Association has provided important services and financial support to the National Park Service. Anyone who loves Yosemite and wishes to be become more closely involved and affiliated with the park will enjoy membership in the Association. For more information, visit park bookstores or www.yosemite.org.

The Yosemite Fund

The Fund provides broad-based private funding from 27,000 members for projects that preserve, protect, or enhance Yosemite Park. Fund operations result in material improvement in the stewardship and quality of Yosemite's natural, cultural or historical resources or the visitor experience. Fund grants repair trails, restore habitat, conduct scientific research, enhance visitor education, preserve park history, and protect wildlife. Since 1988 the Fund has provided over \$50 million to complete more than 200 projects. Visit online at www.yosemitefund.org.

Yosemite Valley Shuttle System

A portion of the trail past Mirror Lake is closed due to rockfall. Please observe posted signs.

Service to stops 15, 16, 17, and 18 may stop after a major snowfall.

Shuttles run daily every 10-20 minutes depending on the time of day. The Valley Visitor Shuttle operates from 7:00am - 10:00pm and serves stops in numerical order. The El Capitan and Express shuttles operate from 9 am to 6 pm. Service may be affected by construction projects. Check shuttle stops for more information.
