**ZION NATIONAL PARK
COMMERCIAL USE AUTHORIZATION PROGRAM**

**2026 OPERATING PLAN FOR
TRANSPORT (NON-TOUR):
COMMERCIAL SHUTTLE SERVICE**

Only services defined above may occur under this authorization.

Unauthorized Uses:

A Commercial Use Authorization does not authorize permittees to facilitate any activities or actions that are prohibited in the park. As such river tubing and associated transportation is prohibited in the park. For more information on park regulations visit: <http://www.nps.gov/zion/learn/management/lawsandpolicies.htm>. Permit violations can result in punitive action (fine, revocation of permit and or arrest) against both the representative (guide/driver), and the permittee.

Commercial Interpretive Services: This authorization does not allow guided hiking, interpretive, or instructional services on park trails. Leading interpretive talks or walks, guided tours in the park, or the shuttling of bicycles is a violation of your permit and may result in revocation of permit privileges. Park policy prohibits commercially guided backpacking, climbing, and canyoneering within the park.

Public Use Obstruction: Permitted groups are sharing visitor facilities with the general public. This permit does not convey any priority use of any park areas including roadside pullouts, parking areas, picnic areas, etc. Permittees are responsible for the conduct of their clients. Shuttle Services must not interfere with the general visiting public.

2. **Operational Requirements:** A list of all vehicles and their license plate numbers to be used in the operation, and a list of drivers and a copy of their driver's license must be provided to the National Park Service before the permit is issued. It is the permittee's responsibility to continuously update the list of drivers and vehicles and provide proof that vehicles are covered by insurance. The park reserves the right to refuse entry to any previously undeclared driver or vehicle.

The driver of the vehicle shall be responsible for complying with the requirements of this permit, and ensuring that all passengers are familiar with the safety notice (see Special Condition #7). Gear may be tied to the top of the vehicle, carried inside of the vehicle, or transported in a trailer, but shall not be attached to the sides of the vehicle.

Vehicles used while conducting shuttle services must have permitted company's identification visible on the driver's side of the vehicle. Company identification must be clearly visible from 25 feet away and be no smaller than two feet wide by one foot tall. The park reserves the right to refuse entry to any previously undeclared driver or vehicle.

3. **Driver Requirements and Responsibilities:**

It is the responsibility of the permittee to ensure that all employees are informed of, understand, and abide by the conditions of the permit. Any permit condition violations can result in punitive action (fine, revocation of permit and or arrest) against both the representative (guide), and the permittee.

The driver shall be certified in CPR and First Aid and have a valid Driver's License on file with the commercial services office. In addition, **the driver shall be familiar with which park activities require a permit and that each passenger has the proper permit for those activities to which the passenger is being transported.**

Acknowledgement of Permit Conditions: All guides and drivers are required to submit an online acknowledgement of CUA permit conditions before shuttling visitors into Zion National Park. This form is available online by visiting: <https://www.nps.gov/zion/getinvolved/commercial-use-authorization.htm>

4. Speed Limits:

Permittee and permittee's employees must follow all applicable traffic laws and posted speed limits throughout the park. Operating a vehicle at a speed in excess of the speed limit is prohibited.

The passing of motor vehicles is prohibited throughout the park.

5. Closures and Public Use Limits: The following areas are closed or restricted as indicated below. Additional locations may be closed or restricted by the posting of appropriate signs.

During the park shuttle operation season (including limited holiday service) the Zion Canyon Scenic Drive is restricted to pedestrians, bicyclists, park shuttle buses, private vehicles driven by Lodge guests with lodging reservations, and 16+ capacity passenger buses with lodge activity reservations. Travel in Zion Canyon above the Lodge is restricted to all motor vehicles except Zion National Park shuttle buses and administrative traffic. Permittee's vehicles that do not meet the above criteria are prohibited from traveling on the Zion Canyon Scenic Drive (unless in possession of overnight lodging reservations as stated above, a valid Red Permit must be displayed and visible in windshield). For more information on the park's shuttle system visit: <https://www.nps.gov/zion/planyourvisit/zion-canyon-shuttle-system.htm>

Additional closed areas: Behind the administrative offices, in the employee housing areas, behind locked gates, near water tanks, beyond fences, on service roads, or in construction areas. Addition official seasonal or emergency closures of roads, trails, or public areas must be observed by permittee.

6. Accidents/Injuries/Illness: All accidents involving property damage, injuries, and/or medical problems should be reported to the park immediately at a ranger contact station or by calling (435) 772-3322. All such information must also be relayed by the permittee to the Commercial Services Office within 24 hours via email to zion_commercialservices@nps.gov.

7. Safety Notice: Permittees must post a **safety notice** and advise all participants to read this notice (and/or provide a safety talk before activities begin). Information contained in this notice must include, but not be limited to, water safety, environmental hazards (weather, floods, sun, temperature, etc.) and resource protection. Leaders should remind participants that heatstroke is a real danger in the desert. Participants should be advised to drink lots of water, eat snacks, and wear hats/sunscreen to minimize sun exposure. Safety information and weather conditions are available at park visitor centers and by visiting www.nps.gov/zion

8. Monitoring: The Superintendent shall have the right to monitor permittee's activity for compliance with all aspects of this permit.

9. Resource Protection Message:

- Collecting or removing from the park any natural or cultural resource, or damaging or defacing any natural or cultural resource is prohibited.

- All food scraps (fruit peels, nut shells, etc.) are considered trash and must be disposed of properly. It is a violation to feed the wildlife, including squirrels.
- Take only pictures - leave no evidence of your visit.
- Vehicles must not idle their engines when parked. Vehicles that sit with engines idling create unacceptable amounts of noise and air pollution within Zion National Park.
- The Permittee shall take adequate measures, as directed and approved by the Superintendent, to restrict and prevent soil erosion on the lands covered hereby and shall so utilize such lands as not to contribute to erosion on adjoining lands.

10. Entrance Fees:

Upon entry to the park CUA holders must identify themselves at a park entrance station or at the Kolob Visitor Center and must present a valid Commercial Use Authorization (CUA signature page and complete CUA conditions) to park staff.

CUA holders are charged the per-person entrance fee for each client onboard. Clients may present personally held America the Beautiful Passes for their entrance fee, in accordance with pass guidelines. Guides are exempt from entrance fees when facilitating a commercial activity.

Fee Schedule (subject to change): <https://www.nps.gov/zion/planyourvisit/fees.htm>

(c) Tunnel permit fees are required for any large vehicle driving through the Zion-Mt. Carmel Highway Tunnel. Pay \$15.00 for the tunnel permit at the entrance station before proceeding to the tunnel. Beginning in mid-2026, large vehicles will be rerouted from the Zion-Mount Carmel Highway to improve safety and protect resources. The maximum vehicle size that will be allowed to drive the Zion-Mount Carmel Highway will be no more than 7' 10" (2.39m) wide, 35' 9" (10.9m) long and 11' 4" (3.45m) tall and 50,000 pounds. Visit Zion's website at <https://www.nps.gov/zion/index.htm> for more information.
