Welcome to Zion National Park. Steep cliffs, narrow canyons, and unpredictable weather add to the challenge and adventure of a visit. It is important to plan carefully for your stay. Park rangers at the visitor centers can provide planning information and weather forecasts, but your safety depends on your own good judgment, adequate preparation, and constant awareness.

**ZION CANYON SHUTTLE**
During much of the year, the Zion Canyon Scenic Drive is only accessible by shuttle bus. See the shuttle schedule for times and dates of this free service. The buses are wheelchair accessible and have room for backpacks, climbing gear, and three bicycles. While in Zion Canyon you may get on and off the shuttle as often as you like. Only service dogs are permitted on the shuttles.

**SPRINGDALE SHUTTLE**
In coordination with the Zion Canyon Shuttle, the Springdale Shuttle will pick up and drop off passengers in the town of Springdale. To avoid parking hassles, park in Springdale and ride the free shuttle to the pedestrian entrance of the park, the closest stop to the Zion Canyon Visitor Center. Enjoy our carefree shuttle service that allows you to concentrate on your visit.

**PARKING**
Important information for parking in Zion:
- Park in designated lots.
- Parking lots are usually full from 10:00 a.m. to 3:00 p.m.
- Pull-outs along State Route 9 should not be used as shuttle access parking.
- Pedestrians must use established walkways.
- Do not walk on roadways, road shoulders, or social trails.
Consider parking in Springdale to avoid delays at the entrance station. If you park in Springdale you can catch the town shuttle to the pedestrian entrance at Zion.

**AUTOMOBILES**
Only the Zion Canyon Scenic Drive is closed to private vehicles. The Zion-Mt. Carmel Highway, Kolob Canyons Road, and Kolob Terrace Road are open to vehicles.

---

The average wait for a shuttle bus is fifteen minutes or less. Shuttles will also operate on weekends in November, with additional service on Thanksgiving Day and Friday. The Shuttle Schedule is subject to change. Please check at the shuttle stops for current information.
Wildlife

Zion National Park is home to 69 species of mammals, 208 birds, 29 reptiles, six amphibians, and nine fish. Commonly seen animals include mule deer, lizards, and many species of birds. Rare or endangered species include the peregrine falcon, Mexican spotted owl, California condor, desert tortoise, and the Zion snail, found only in Zion National Park.

MOUNTAIN LIONS
Mountain lions are present in the park. Attacks are unlikely and have never been reported in the park. Please watch children closely and never let them run ahead or lag behind. More information is posted at trailheads. Please report any sightings or encounters to a park ranger as soon as possible.

DESERT BIGHORN SHEEP
Desert bighorn sheep are often seen on the east side of the park. Although they naturally shy away from people, some of these animals have grown accustomed to visitors in the park. Please do not approach or feed bighorn sheep.

RESPECT WILDLIFE
Please keep all animals wild and healthy by viewing them from a safe distance. Do not feed or touch wildlife. Store food and trash responsibly.

SICK OR INJURED ANIMALS
Be aware that wild animals can be unpredictable. Do not approach animals or attempt to move sick or injured wildlife. Please report any sick or injured animals to a park ranger.

Emergency Response

For 24-hour emergency response, call 911 or 435-772-3322. The Zion Canyon Medical Clinic is located in Springdale near the south entrance to the park. For hours, please call 435-772-3226. Other medical clinics are located in Hurricane. The nearest hospitals are in St. George, Cedar City, and Kanab.

Flash Floods

All narrow canyons are potentially hazardous. Flash floods, often caused by storms miles away, are a real danger and can be life-threatening. You are assuming a risk when entering a narrow canyon. Your safety is your responsibility.

Watch for indications of a possible flash flood. If you observe any of these signs, seek higher ground immediately:

- deterioration in weather conditions
- build up of clouds or thunder
- sudden changes in water clarity from clear to muddy
- floating debris
- rising water levels or stronger currents
- increasing roar of water up canyon

During a flash flood, the water level rises within minutes or even seconds. A flash flood can rush down a canyon in a wall of water over twelve feet high.

Services

ACCESSIBILITY
Most park facilities are accessible. Wheelchairs are available for loan at the Zion Canyon Visitor Center for the visitor center area. All shuttle buses are wheelchair accessible. Mobility devices must be smaller than 30” x 46” and have a combined weight of less than 600 lbs. Service dogs are permitted on a leash throughout the park.

Campsites are available for people with disabilities. The Pa’rus Trail and the Riverside Walk are accessible trails with assistance. The Zion Lodge has several accessible hotel rooms and one accessible cabin with a roll-in shower. The Zion Lodge also has a wheelchair available for loan.

The orientation film offers captioning and the frontcountry trails video has an audio description. Many ranger-led programs are accessible. Assistive listening devices are available by reservation for all ranger-led programs. Please visit the Zion Human History Museum for information about borrowing assistive listening devices.

LODGING
In the park, the Zion Lodge has rooms, suites, and cabins. To make reservations, please call 888-297-2757 or 435-772-7700, or visit zionlodge.com. There are other lodging options in surrounding communities.

RESTAURANTS
In the park, the Zion Lodge dining room and cafe serve breakfast, lunch, and dinner. Dinner reservations are required; please call 435-772-7760. There are many restaurants in surrounding communities.

GROCERIES
There are grocery and convenience stores in Springdale, La Verkin, Hurricane, Kanab, St. George, and Cedar City.

PETS
Leashed pets may be walked on the Pa’rus Trail. Pets are not permitted on any other trails, on shuttles, in public buildings, or in the wilderness. Pets must be under physical control on a leash less than six feet long at all times. The interior temperature of a vehicle can quickly warm to dangerous levels. Avoid leaving animals in vehicles. Boarding kennels are available in Rockville, Kanab, Hurricane, St. George, and Cedar City.

SHOWERS
There are no showers available within Zion National Park. Pay showers are available in Springdale and east of the park. The availability of these services varies throughout the year.

LAUNDRY
There are laundry facilities located in Springdale, Hurricane, and Kanab. There are no laundry facilities within the park.

MONEY
There is an ATM at the Zion Lodge. Banks and ATMs are located in most surrounding communities.

TRAM
Zion Lodge offers narrated open-air tram rides from the Lodge to the Temple of Sinawava. Available Mondays, Wednesdays and Fridays at 5:30pm. Inquire at the Front Desk. Seats available first come, first served. For more information please call 435-772-7700.
Safety

Whether hiking, climbing, or driving, your safety depends on your good judgment, adequate preparation, and constant awareness. Your safety is your responsibility.

**HYPOTHERMIA**

Hypothermia occurs when the body is cooled to dangerous levels. It is responsible for the greatest number of deaths among people engaging in outdoor activities. It is a hazard in narrow canyons because immersion in water is the quickest way to lose body heat.

- **STEEP CLIFFS**
  Falls from cliffs on trails have resulted in death. Loose sand or pebbles on stone are very slippery. Be careful of edges when using cameras or binoculars. Never throw or roll rocks because there may be hikers below you.
  - Stay on the trail.
  - Stay back from cliff edges.
  - Observe posted warnings.
  - Please watch children.

**WATER**

The desert is an extreme environment. Carry enough water, one gallon per person per day, and drink it. Water is available at visitor centers, campgrounds, Zion Lodge, and most shuttle stops. Do not drink untreated water.

**DRIVING**

Park roads are used by vehicles, bicycles, and even wildlife. Obey posted speed limits. Unless otherwise posted, the maximum speed limit is 35 mph. Seat belts or child safety seats are required for all occupants of a vehicle. Please park in designated spaces only and turn off your engine when your vehicle is stopped.

**OTHER VEHICLES**

Other vehicles, such as ATVs and OHVs, are not permitted in Zion National Park.

**HYPOTHERMIA**

Hypothermia occurs when the body is cooled to dangerous levels. It is responsible for the greatest number of deaths among people engaging in outdoor activities. It is a hazard in narrow canyons because immersion in water is the quickest way to lose body heat.

To prevent hypothermia, avoid cotton clothing as it provides no insulation when wet and eat high energy food before you are chilled. The signs of hypothermia include uncontrollable shivering, stumbling and poor coordination, fatigue and weakness, and confusion or slurred speech. If you recognize any of these signs, stop hiking and immediately replace wet clothing with dry clothing.

**HEAT EXHAUSTION**

Heat exhaustion occurs when the body loses more fluid than is taken in. Signs of heat exhaustion include nausea, vomiting, fatigue, headaches, pale appearance, stomach cramps, and cool clammy skin. If a member of your party begins to experience any of these symptoms, stop your hike immediately. Find a cool, shady area and rest with your feet up to distribute fluids throughout your body. It is important to drink fluids, but it is also important to eat. While suffering from heat exhaustion, drinking fluids without eating can lead to a potentially dangerous condition of low blood salt. Seek medical help if heat exhaustion symptoms persist for more than two hours.

**HEAT STROKE**

Heat stroke is an advanced stage of heat exhaustion. Symptoms include confusion, disorientation, behavioral changes, and seizures. If you believe that a member of your party is suffering from heat stroke, it is imperative to cool them using any available means and obtain immediate medical assistance.

**FIREARMS**

Federal law allows people who can legally possess firearms under federal, Utah, and local laws, to possess firearms in the park. It is the visitor’s responsibility to understand and comply with all applicable Utah, local, and federal firearms laws. Federal law prohibits firearms in certain facilities in Zion National Park, which are posted with signs. The discharge of firearms and hunting within the park are prohibited. Utah state law allows open carry on shuttle buses. Concealed carry is allowed for only those individuals with a concealed carry permit.
Recreation

CAMPING
Campgrounds in Zion Canyon have restrooms, drinking water, picnic tables, fire grates, dump stations, and recycling. All sites are half price for holders of Inter-agency Senior and Access Passes. There are no showers available within Zion National Park. Pay showers are available in Springdale and east of the park. The availability of these services varies throughout the year.

FIRES
When fire danger is high, all campfires may be prohibited. When permitted, fires are only allowed in fire grates in the campgrounds. Bring or buy firewood. Collecting any type of wood in the park is prohibited.

BICYCLING
Bicycling is permitted on all park roadways and on the Pa’rus Trail. Bicyclists must ride single file and stop to let shuttle buses pass. Do not pass a moving shuttle bus. Each shuttle bus has a rack for at least two bicycles. All other park trails, off-trail routes, and the Zion-Mt. Carmel Tunnel are closed to bicycles. Bicyclists attempting to travel though the Zion-Mt. Carmel Tunnel must obtain a ride through the tunnel. Hitchhiking is permitted. Rangers are not allowed to provide, or arrange for, transport through the tunnel.

CLIMBING
The sandstone cliffs of Zion National Park are famous for big wall climbs. Zion is not a place for inexperienced climbers. Climbing in the park requires appropriate hardware and advanced technical skills. There are few top roping areas and no sport climbs. Permits are not required for day climbs, but they are required for all overnight bivouacs. Climbing information and route descriptions are available at the Zion Canyon Wilderness Desk in the Zion Canyon Visitor Center.

SOME AREAS AND ROUTES ARE CLOSED EACH YEAR TO CLIMBING FROM EARLY MARCH THROUGH AUGUST TO PROTECT NESTING PEGREINE FALCONS. SOME AREAS THAT ARE ROUTINELY CLOSED TO CLIMBING INCLUDE THE GREAT WHITE THRONE, CABLE MOUNTAIN, COURT OF THE PATRIARCHS, AND ANGELS LANDING. CHECK AT VISITOR CENTERS OR VISIT WWW.NPS.GOV/ZION FOR CURRENT CLOSURE INFORMATION.

HORSEBACK RIDING
Horses traditionally have been used to explore the terrain of Zion National Park. Guided trips are available starting at the corral near the Emerald Pools Trailhead. For private stock use, see the Wilderness Guide or inquire at visitor centers.

WATERCRAFT
All watercraft use in Zion National Park requires a wilderness permit. Permits are issued only when the river is flowing in excess of 150 cubic feet per second. Inner tubes are not permitted at any time on any watercourse in the park.

WILDERNESS PERMITS
Permits are required for overnight trips, through-hikes of The Narrows and its tributaries, Left Fork (The Subway), Kolob Creek, and all canyons requiring the use of technical equipment. Reservations are available online for many permits at www.nps.gov/zion. Permits must be obtained at the visitor centers before your trip.

WILDERNESS PERMITS FEES BASED ON THE SIZE OF YOUR GROUP:

- $15 for 1-2 people
- $20 for 3-7 people
- $25 for 8-12 people

The maximum group size is 12 people of the same affiliation on the same trail or in the same drainage on the same day. The limit for some canyons is six people.

Private campgrounds with showers and hookups are available outside the park. South Campground is closed from December 1 through February 28. Watchman Campground is first-come, first served from December 1 through February 24. The number of available campsites may vary throughout the year.

The Narrows

The Narrows

The Virgin River has carved a spectacular gorge in the upper reaches of Zion Canyon—16 miles long, up to 2,000-feet deep, and at times only 20 to 30-feet wide. The Narrows, with its soaring walls, sandstone grottos, natural springs, and hanging gardens can be an unforgettable experience. It is not, however, a trip to be underestimated. Hiking The Narrows means hiking in the Virgin River. At least 60 percent of the trip is spent wading, walking, and sometimes swimming in the river. There is no maintained trail because the route is the river. The current is swift, the water may be cold and deep, and the rocks underfoot are slippery. Flash flooding and hypothermia are constant dangers. Good planning, proper equipment, and sound judgment are essential for a safe and successful trip. Your safety is your responsibility.

There are three ways to hike The Narrows, weather and water conditions permitting.

**DAY HIKE FROM THE BOTTOM AND BACK**
To experience The Narrows, start at the Temple of Sinawava and hike one mile to the end of the Riverside Walk and wade into the river. In less than a mile, you will be hiking in one of the narrowest sections of the canyon. There is not a formal destination, and you will return the same way you came. Some hikers try to reach Orderville Canyon, a tributary roughly two hours upstream from the end of the trail. Travel upstream into Orderville Canyon or beyond Big Spring is prohibited. No permit is required for this hike.

**DAY HIKE FROM TOP TO BOTTOM**
This strenuous 16-mile all-day hike requires a permit and a private shuttle to the trailhead. Please see the Wilderness Guide or inquire at the Zion Canyon Wilderness Desk for more information.

**OVERNIGHT HIKE FROM TOP TO BOTTOM**
This two-day hike requires a permit and a private shuttle to the trailhead. Maximum stay is one night. Please see the Wilderness Guide or inquire at the Zion Canyon Wilderness Desk for more information.

**THE NARROWS CHECKLIST**

- Obtain weather and flash flood potential forecasts before your trip.
- Wear closed-toe shoes or sturdy boots with ankle support, not sandals or water shoes.
- Take a walking stick. Do not cut tree branches for sticks.
- Children should not hike in the river due to strong currents and deep pools.
- Carry out all trash, including food wrappers, apple cores, fruit peels, and toilet paper.
- Carry one gallon of drinking water per person per day, food, sunglasses, sunscreen, and first aid kit.
- Take a fleece or windbreaker. The Narrows is much cooler than other areas in Zion Canyon.
- Pack your gear in waterproof bags.
- Use the restroom at the Riverside Walk trailhead before hiking. There are no toilets in The Narrows.
Zion National Park Map

When Zion Canyon is full, explore these other great areas of the park.

KOLOB CANYONS ROAD
Located in the northwest corner of the park off of Interstate 15, this five-mile scenic drive climbs past the spectacular canyons and red rocks of the Kolob Canyons area and ends at the Kolob Canyons Viewpoint.

ZION-MT. CARMEl HIGHWAY
This 12-mile scenic highway connects the South and East Entrances. From Zion Canyon, the road travels up steep switchbacks, through the historic Zion-Mt. Carmel Tunnel, and emerges on the east side of the park. Delays are possible. For large vehicle restrictions, read page 12.

KOLOB TERRACE ROAD
This steep 20-mile scenic drive starts in the town of Virgin and climbs north from the desert washes into the aspen-covered plateaus of the higher elevations of the park and provides access to Lava Point. Not recommended for vehicles pulling trailers.
ZION IN THREE HOURS OR LESS
Riding the shuttle is the easiest way to see some of the park's most beautiful sights in a limited time. A roundtrip ride on the shuttle takes about 80 minutes, and the average wait for a shuttle bus is fifteen minutes or less. Some of the most scenic shuttle stops are the Court of the Patriarchs, the Zion Lodge, and Big Bend. If you are interested in hiking, choose one of the easy hikes. Some easy hikes include Weeping Rock, the Lower Emerald Pool Trail, and the Riverside Walk.

ZION IN MORE THAN THREE HOURS
In addition to riding the shuttle, visit the Zion Human History Museum and watch the park orientation film or attend a ranger-led program. If you are interested in hiking, choose trails based on your ability level from the Hiking Guide. Some moderate hikes include the Emerald Pools Trails and the Watchman Trail. Some strenuous hikes include Observation Point, The Narrows, and Angels Landing.

Zion Canyon is only one small part of Zion National Park. Take a scenic drive to the other areas of the park listed below, or explore the Zion Wilderness. Pick up a copy of the Wilderness Guide at park visitor centers to explore the possibilities.
Points of Interest

ZION HUMAN HISTORY MUSEUM

WEPPING ROCK

CANYON JUNCTION
The junction of the Zion-Mt. Carmel Highway and the Zion Canyon Scenic Drive. Views of the Virgin River and Zion Canyon. Access to the Pa'rus Trail.
Enhance your understanding and enjoyment of Zion National Park by taking part in a ranger-led program. Programs are offered in Zion Canyon from April to November. Topics include geology, plants, animals, human history, and more. All ranger-led programs are free. Check bulletin boards for evening program topics and special programs.

**Daily Ranger-led Programs**

8:00 am  
2.5 hours  
(Meet at Zion Canyon Visitor Center entrance)  
**WALKING THE WATCHMAN**  
Explore a diverse and beautiful landscape teeming with life as you hike with a ranger on the Watchman Trail. Ascend this moderate 368 ft (112 m) trail while earning a great view of Zion Canyon. Bring water, snacks, sun screen, and appropriate clothing. Roundtrip distance is 2.5 mi (4.0 km).

9:00 am  
2 hours  
(Reservation required)  
**RIDE WITH A RANGER**  
Enjoy a unique 2-hour experience on this ranger-led shuttle bus tour of Zion National Park. You will have an intimate look into Zion Canyon through several special stops. This program is popular, and seats fill up fast. Make free reservations, in person, up to 3 days in advance at Zion Canyon Visitor Center.

10:25 am  
20-25 min  
(Human History Museum back patio)  
**PATIO TALK: SUBJECTS VARY**  
Explore the fascinating world of Zion’s wildlife and learn their survival secrets or discover the stories of the people who lived in and helped shape Zion.

2:25 pm  
20-25 min  
(Human History Museum back patio)  
**PATIO TALK: WATER, ROCKS, AND TIME**  
Uncover how Zion’s striking geologic scenery came to be and the stories recorded in its rocks.

5:25 pm  
20-25 min  
(Human History Museum back patio)  
**PATIO TALK: SUBJECTS VARY**  
Explore the fascinating world of Zion’s wildlife and learn their survival secrets or discover the stories of the people who lived in and helped shape Zion.

9:00 pm  
45 Minutes  
(Take shuttle to Zion Lodge Auditorium)  
**LODGE EVENING PROGRAM**  
Discover with a ranger what makes Zion such a special place. Topics often include the ranger’s favorite stories (animals, people, lesser known Zion sites, and more). See bulletin boards for specific program topics.

9:15 pm  
45 Minutes  
(Watchman Campground Amphitheater)  
**WATCHMAN EVENING PROGRAM**  
Discover with a ranger what makes Zion such a special place. Topics often include the ranger’s favorite stories (animals, people, lesser known Zion sites, and more). See bulletin boards for specific program topics. This program is outside so please dress accordingly.
Be sure to visit the Zion Nature Center to have fun uncovering Zion’s mysteries. Kids can dress up as a park ranger, go on a scavenger hunt, learn about skulls and dinosaur tracks, and much more. Ranger-led programs are offered every afternoon at 3:00 pm and 4:30 pm and include interactive components like games, painting, crafts, and other activities. The Zion Nature Center is located next to the South Campground. The shuttle does not stop at the Zion Nature Center, but it can be accessed from the Pa’rus Trail. Limited parking is available.

**Zion Nature Center Location**

Follow the trail marked in red from the Museum or the Visitors Center to get to the Zion Nature Center.

**Zion Nature Center Location Map**

- Zion Human History Museum
- Zion Canyon Visitor Center
- Pa’rus Trail
- South Campground
- Watchman Trail
- South Entrance
- Zion Canyon
- Pa’rus Trail

**Junior Ranger Handbook**

Visitors ages 4 and older can earn a badge by completing the Junior Ranger Handbook and attending at least one ranger-led program. The handbook is available for free at visitor centers, the Zion Human History Museum, and the Zion Nature Center. Visit the Zion Natl Park Forever Project bookstores for patches and other items to celebrate the Junior Ranger accomplishment.

**Zion Lodge Lawn Programs**

1:00 pm daily

**Storytelling, Nature Games, or Music Makers**

The program is 30 to 45 minutes long and designed for children 8 and younger. One of the following programs will be presented each day. **Meet on the lawn near the large cottonwood tree**

- Storytellers - Listen to the heart-warming tales.
- Music Makers - Discover the music and sounds of Zion.
- Nature Games - Join the fun while exploring Zion’s natural splendor.

**Nature Center Programs**

3:00 pm daily

4:30 pm daily

**Assorted Topics**

Programs are 30 to 45 minutes long and designed for children ages 4 to 12. One of the following programs will be presented each day. **Meet inside the Nature Center**

- Amazing Animals - Explore Zion’s incredible animals and their amazing adaptations.
- Rockin’ Rocks - Marvel at the forces that shaped Zion’s giant cliffs.
- Eco Explorers - Discover the wild twists and turns of living and non-living things.
- Dino Discovery - Explore sensational wonders of past creatures.

**Distance Learning**

Are you a teacher with students who would like to meet a park ranger? Registration for the fall Distance Learning programming is now open. A ranger will visit your classroom virtually to teach about the National Park Service, as well as what makes Zion unique. Whether your classroom is located in Las Vegas, London, or anywhere in between, your students can interact live with a Zion ranger. Visit the education section of our website to learn more, and sign up today! (www.nps.gov/zion/learn/education/distance-learning.htm)
Weather

In summer, temperatures in Zion National Park often exceed 100°F/38°C. Higher elevations may have temperatures in excess of 90°F/32°C. Zion experiences a monsoon season from mid-July into September that results in an increased risk of flash floods. Visitors should always be aware of the threat of thunderstorms and lightning.

Always be prepared for a wide range of weather conditions. Temperatures in the park can vary dramatically with changes in elevation and the time of day. Day and night temperatures can differ by over 30°F/17°C. Consider dressing in layers to prepare for changes in temperature.

Environmental Impact

Zion National Park is much more than just a recreational destination. It is a sanctuary of natural and cultural resources.

Conserving this heritage is a task that the National Park Service cannot accomplish alone. All of us serve a critical role in maintaining Zion’s sanctuary for the future. Please respect your national park and the experiences of others.

Recycling and Trash

Please do not litter. Carry out or recycle all of your trash, including toilet paper. The park recycling program provides disposal for plastic, aluminum, glass, paper, and other materials. Zion National Park works closely with the community to provide many recycling options for visitors. With help from you, Zion kept nearly 200,000 lbs of waste out of landfills last year. Participate in recycling efforts by using the available recycling bins inside the park and in local communities.

Wildlife

Feeding, harming, or capturing wild animals is illegal and can cause injury or death to the animal. Animals can become aggressive beggars when fed.

Resource Damage

It is illegal to remove anything from Zion National Park, including flowers, rocks, or anything else that you might find. Do not write or carve on natural surfaces.

Soundscape

Sounds, or sound environments, are an important natural feature of the park. Be aware of the noise that you make so that others may enjoy the peace and solitude of the park. Please travel quietly and limit the size of your group.

Water Bottle Filling Stations

There are several water bottle filling stations located throughout the park. To reduce waste, the sale of disposable plastic water bottles is prohibited in Zion Canyon. Support this initiative by bringing a reusable water bottle with you and using it after you leave. Water bottle filling stations are located at the Zion Canyon Visitor Center, Zion Human History Museum, Zion Lodge, and the Temple of Sinawava.

Volunteer

Volunteers work with park employees behind the scenes and on the frontline to preserve park resources and contribute to visitor enjoyment. In 2016, 441 volunteers contributed 28,031 hours of service to Zion National Park. You too can make a difference. For volunteer opportunities at Zion, please contact 435-772-0184 or visit the “Get Involved” section on our website at www.nps.gov/zion.

Solar power provides clean energy for Zion National Park. In 2010, large photovoltaic systems were installed at the Kolob Canyons Visitor Center, the Emergency Operations Center, and Zion Headquarters. Zion generates 12 percent of its power from onsite renewable energy to offset other sources.

Each full shuttle reduces traffic by 28 cars. The shuttles reduce the number of vehicle miles traveled per day by over 50,000 and reduce CO2 emissions by over 12 tons per day.

Zion Canyon Shuttle System

The shuttle system was created to reduce traffic congestion, parking conflicts, pollution, noise, and resource damage. Renewable energy to offset other sources. Efforts to reduce energy use have resulted in a 10 percent decrease since 2008.

Electric Vehicle Charging Stations

With a grant from the U.S. Department of Energy Clean Cities program, electric vehicle charging stations were installed at the Zion Canyon Visitor Center and the Kolob Canyons Visitor Center in 2015. Purchase an access code at visitor center bookstores. With these initiatives and your help, we can work towards preserving and protecting these places for future generations.
Zion Natl Park Forever Project
Official Partner of Zion National Park

The Forever Project connects you to Zion National Park in many ways. When you purchase a book, map, guide or postcard in our visitor center bookstores, you are giving back to Zion. When you make a $3 donation at the sales counter, become a part of the Zion Circle, and when you enroll in a Forever Project Field Program, you open the door to an educational experience that can change your life.

THE ZION FOREVER PROJECT makes it possible for you to experience and enjoy the park in a more meaningful way and address that stronger sense of stewardship and responsibility that falls on all of us to protect and sustain the park for future generations. Whether you simply round up your change at the sales counter, or make a large contribution to a specific park project listed in our Field Guide to Park Project Priorities, you will make a difference now and forever.

You may have known us for the last 80 years as the Zion Natural History Association, including the Zion Canyon Field Institute and the Zion National Park Foundation. The Zion Natl Park Forever Project encompasses these programs now under one banner for the benefit of Zion National Park, Cedar Breaks and Pipe Spring National Monuments.

Save what you love, support the Zion Forever Project today.

FOREVER PROJECT FIELD PROGRAMS
The Zion Natl Park Forever Project educates and inspires visitors about the greater Zion National Park ecosystem and environment. Fee-based workshops, a lecture series, and Thursday treks take place in and around Zion National Park, Cedar Breaks and Pipe Spring National Monuments.

One-day and half-day classes are perfect for individuals, families and small groups with limited time who want an engaging insider’s tour leading groups of like-minded park visitors to fascinating cultural and natural history destinations.

One-day and half-day classes are perfect for individuals, families and small groups with limited time who want an engaging insider’s tour leading groups of like-minded park visitors to fascinating cultural and natural history destinations.

SERVICE PROJECTS
Participants have the opportunity to get behind the scenes hands-on view of Zion, while contributing to a project that benefits the park.

PRIVATE EXPLORATIONS
Custom Explore Zion programs provide small groups and families a fun, educational experience. Contact us for more information.

REGISTRATION
Our Field Program course schedule is available on-line or at any of our park store locations. Registration is also available on-line at zionpark.org or by calling 435-772-3264 or 800-635-3959. Registration may also be taken in person at our Zion National Park Visitor Center Park Store, inside the park’s south entrance. Fees for one-day workshops range from $60-$85 per day.

MAPS, HIKING, CLIMBING & TRAIL GUIDES, BOOKS, GIFTS & MORE
Our Park Stores feature a wide variety of water bottles, hats, books, maps, DVDs, and gifts to help you get the most from your trip to Zion National Park. Learn more about the geology, ecology, human history, or find the perfect Zion-inspired gift. Zion Forever Project Park Stores are located in the Zion National Park Visitor Center, the Human History Museum, the Kolob Canyons Visitor Center just off Exit 40 on I-15, Cedar Breaks National Monument situated in the cool mountains at 10,000 feet near Brianhead, UT, and Pipe Spring National Monument on Hwy 59 near Fredonia, AZ.

ONLINE STORE
Enhance your park experience and shop with confidence for park approved items and all things Zion! The Zion Forever Project On-Line Park Store is your one-stop resource for your favorite park books, maps, pins, patches, posters, calendars, hats, and gifts. Register for a Zion Forever Project Field Program or make a donation. Your purchase supports important park projects in Zion National Park.

Be part of the Zion Circle today and receive a 15% discount for one-year on all Zion Park Store purchases when you donate $50 or more to the Zion Natl Park Forever Project. Reciprocal discounts are available at participating national park cooperating association stores when you present your Zion Forever Project card in person.

OUTDOOR LEARNING ADVENTURES
Hike to a hanging garden where vibrant columbine grow next to scarlet monkey flowers. Relax while a geologist explains the wonders of Zion in a small group setting. Enjoy a discussion by the Virgin River about water issues in the West. Discover what makes Zion Canyon unique while you absorb the narrative first-hand with one of our knowledgeable park authorized field instructors.

Entrance Fees

The entrance fees at Zion National Park are $30 per vehicle, $25 per motorcycle, and $15 per person for bicyclists, pedestrians, and organized groups. All entrance fees are valid for seven consecutive days. Eighty percent of fees collected remain in the park for repair, maintenance, and facility enhancement directly related to visitor enjoyment, health, and safety.

Information Centers

ZION CANYON VISITOR CENTER
Located near the South Entrance of the park, the Zion Canyon Visitor Center is an excellent place to begin your exploration of Zion Canyon. Park rangers and outdoor exhibits will help you plan your visit and make the most of your time. Inquire at the Zion Canyon Wilderness Desk about permits for backpacking, canyoneering, and other trips into the wilderness. Visit the bookstore for maps, books, and gifts.

ZION HUMAN HISTORY MUSEUM
Indoor exhibits focus on the human history of Zion National Park. A 22-minute orientation film highlights the dramatic landscapes of the park and examines the history of the canyon. Rotating art exhibits feature regional artists. Visit the bookstore for maps, books, and gifts. There are dramatic views of the Towers of the Virgin and Bridge Mountain outside.

KOLOB CANYONS VISITOR CENTER
This is the entry point to the Kolob Canyons area of the park. It is located 45 miles north of Springdale and 17 miles south of Cedar City at Exit 40 on Interstate 15. Park rangers are available to answer questions and issue wilderness permits. Exhibits explore the geology, vegetation, and wildlife of this unique landscape.

Large Vehicles

The Zion-Mt. Carmel Tunnel connects Zion Canyon to the east side of the park. It was built in the 1920s when large vehicles were less common. Vehicles 11’4” tall or taller, or 7’10” wide or wider, require one-lane traffic control through the tunnel. Large vehicles cannot travel in a single lane through the tunnel. Nearly all RVs, buses, trailers, fifth-wheels, dual-wheel trucks, campers, and boats require traffic control.

TUNNEL TRAFFIC CONTROL
Visitors requiring traffic control through the tunnel must pay a $15 fee per vehicle in addition to the entrance fee. Pay this fee at the park entrance station before driving to the tunnel. The fee is valid for two trips through the tunnel for the same vehicle during a seven-day period. Rangers will stop oncoming traffic so that you may drive down the center of the road in the tunnel. We apologize for any delays associated with this safety precaution.

Large vehicles may only travel through the tunnel from:
- April 30 to September 2 from: 8:00 am to 8:00 pm
- September 3 to September 17 from: 8:00 am to 7:00 pm

PROHIBITED VEHICLES
Vehicles not permitted in the tunnel include the following:
- vehicles over 13’1” tall
- semi-trucks and commercial vehicles
- vehicles carrying hazardous materials
- vehicles weighing more than 50,000 lbs
- combined vehicles or buses over 50’

Bicycles and pedestrians are also not permitted in the tunnel and must obtain a ride. Hitchhiking is permitted. Rangers are not allowed to provide, or arrange for, transport through the tunnel.

Printed on recycled paper. Please recycle again.
