**ZION NATIONAL PARK
TAXI AND RECREATIONAL SHUTTLE
COMMERCIAL USE AUTHORIZATION**

SPECIAL CONDITIONS

1. Authorized Use

Camper Trailer Delivery is authorized for the delivery of rental recreational vehicles/camper trailers/motorhomes in pre-reserved electric sites in Watchman Campground.

Unauthorized Use

The campsite reservation must be made by the client/visitor. RV rental companies are not permitted to reserve campsites.

2. Operational Requirements

- The only campsites available for RVs are in the A and B loops of Watchman Campground. The CUA holder must ensure that the RV does not exceed the maximum permitted vehicle size of the site.
- RVs must be maintained in good condition. The interior must be clean and meet State health and safety code standards for a commercial rental. The National Park Service reserves the right to inspect trailers delivered to park campgrounds.
- The RV must be equipped with at least one ABC dry chemical or carbon dioxide (CO2) type portable fire extinguisher in working condition, maintained in accordance with NFPA 10, with a UL rating of at least 2A:10B:C.
- A list of the RV(s) with the make, model, length, gross vehicle weight, license tag number and rental rate must be submitted to the CUA office prior to the approval of this authorization. Notice must be given to the CUA Office prior to the use of any trailer not on the accepted list.
- The tow vehicle must be a proper match for the travel trailer being towed. The travel trailer must not exceed the gross vehicle weight of the tow vehicle and must meet requirements set forth in the State of Utah Vehicle Code.
- Employees towing travel trailers must be at least 18 years of age and have experience towing and backing the size of travel trailer being delivered. The CUA holder must leave a 24-hour contact phone number with the campground ranger in case of an emergency.
- Delivery of the RV is permitted no earlier than noon on the day of arrival.
- The CUA holder must give the reservation number to the campground ranger upon arrival at the Watchman kiosk. He/she must also present a copy of the approved CUA at the entrance station and the campground kiosk.
- The RV must be removed from the campsite no later than 11:00 a.m. on the day of departure. If the client checks out prior to the scheduled departure date, the CUA holder is responsible for removing the RV on that day.
- The site must be clean and ready for the next camper upon departure. The CUA holder is responsible for any litter, spills, etc. in the site.
- In the case of a park emergency, the CUA holder must be available to remove the travel trailer from the park within 12 hours of receiving notification.
- The use of electrical generators is prohibited at all times in Watchman Campground.
- Only one RV is permitted in each campsite.
- The Zion-Mt. Carmel Tunnel is closed to all vehicles at or exceeding 7'10" (main body) in width and/or 11'4" in total height, except under the auspices of a Special Use Permit.
- The Zion-Mt. Carmel Highway between the Zion Canyon Scenic Drive and the East Entrance of the Zion National Park is closed to the following "oversized" vehicles:
 - vehicles greater than 13'1" high
 - vehicles with a single or combined gross weight greater than 50,000 pounds
 - single vehicles greater than 40' long
 - combined vehicles that are greater than 50' long
 - combined vehicles where the distance between the hitch attachment of the towing vehicle and the rear-most axle

SPECIAL CONDITIONS

of the towed vehicle exceeds 26 feet.

3. **Speed Limits** The speed limits for the following areas are established as prescribed below:

Zion-Mount Carmel Highway and Zion Canyon Scenic Drive:

35 miles per hour, as posted by signs.

The vicinity of the entrance stations, Zion Canyon Visitor Center, Zion Lodge, and approach to Temple of Sinawava: 25 miles per hour, as posted by signs.

Parking and Campground areas: 15 miles per hour, as posted by signs.

The passing of motor vehicles is prohibited throughout the park.

4. **Closures and Public Use Limits** The following areas are closed or restricted as indicated below. Additional locations may be closed or restricted by the posting of appropriate signs.

Zion Canyon Scenic Drive will be limited to pedestrians, bicyclists, shuttle buses, private vehicles driven by Lodge guests, and tour bus groups during the shuttle season. Travel in Zion Canyon above the Lodge is restricted to all motor vehicles except the shuttle buses.

The Permittee is prohibited from traveling up the Zion Canyon Scenic Drive.

Additional closed areas: Behind the administrative offices, in the employee housing areas, behind locked gates, near water tanks, beyond fences, on service roads, or in construction areas.

Parking and stopping along park roads is prohibited except at designated parking areas or pull-offs. All vehicles must be kept on established roadways, and there shall be no interference with pedestrians or other traffic in the park.

5. **Accidents** All accidents are to be reported to the nearest ranger station as soon as possible.
6. **Revenues** It is understood that the holder of this permit shall not develop a business based to any great extent on revenues generated through visiting the park.
7. **Entrance Fees** Each time the permittee enters the park, they must identify themselves, show a copy of the CUA, and state that they are delivering a rental trailer. This will enable the Zion entrance station personnel to verify that the permittee is on the approved list for commercial activities. The park entrance fees are waived for employees of the permittee; the vehicle and driver have free entry into the park. Clients of the permittee must pay the appropriate park entrance fee. Permittees may not use personal annual or lifetime federal recreational land passes to gain entry to the park for themselves or their customers when conducting business. Tunnel escort fees are required for all vehicles over 7' 10" wide and/or 11' 4" high.
8. **Monitoring** The Superintendent shall have the right to monitor permittee's activity for compliance with all aspects of this permit. Drivers shall carry a copy of the approved CUA and present it to any park official upon request. Monitoring costs may be charged. These costs start when the permittee arrives in the area to perform the permitted use and ends when the permitted use is over and the permittee leaves the area. This includes all costs for personnel and material, as well as all follow-up needed in returning the area to its original condition. Monitoring costs would vary depending on

park staff involved. A Park Ranger would cost approximately \$50.00 per hour for a minimum of three hours of monitoring.

9. **Soil Erosion** The Permittee shall take adequate measures, as directed and approved by the Superintendent, to restrict and prevent soil erosion on the lands covered hereby and shall so utilize such lands as not to contribute to erosion on adjoining lands.
10. **No Right of Renewal** No right of renewal attaches hereto. Upon expiration of this permit, the viability of this service inside the park shall be reviewed and the Superintendent shall determine if authorization of this service shall continue under an Incidental Business Permit. If a determination is made to continue the service under this type of authorization, permittee may then apply for a new permit.
11. **Driver & Guide Responsibilities** It is the responsibility of the permittee to ensure that all employees are informed of, understand, and abide by the conditions of the permit. Any permit condition violations can result in punitive action (fine, revocation of permit and or arrest) against both the representative (guide), and the permittee.
12. **Resource Protection Message**
 - Collecting or removing from the park any natural or cultural resource, or damaging or defacing any natural or cultural resource is prohibited.
 - All food scraps (fruit peels, nut shells, etc.) are considered trash and must be disposed of properly. It is a violation to feed the wildlife, including squirrels.
 - Vehicles must not idle their engines when parked. Vehicles that sit with engines idling create unacceptable amounts of noise and air pollution within Zion National Park.
13. **Annual Survey**

The permittee is required to provide an accurate accounting of visitation and revenue earned within Zion National Park on the annual year-end survey.
14. **Photographs**

Photographs taken by the permittee for advertising or sales purposes may not involve activities that interfere with other visitors and may not depict activities that are illegal, unsafe, or result in damage to natural or cultural resources.
